Rescued By The Celtic Warrior (Roman - Pict Love Stories Book 1)

Synopsis

Highborn and privileged, Valeria has never known life outside her father's Roman fortress. But when Hadrian's Wall falls, Valeria's world shatters. Ripped from her bed, she's captured by savages. Terrified, she prays her betrothed will mount a rescue. But it is the enemy, a Pict with Celtic tattoos and hair of fire who wields his sword and fights for her freedom. When she seeks refuge in the warrior's stronghold, the Picts eye her with distrust and force her to earn her keep as a commoner. But the longer Valeria remains, the more agonizing it becomes to conceal her burning love for the Celtic warrior.

Customer Reviews

This is the first book I have read about this early historic age and people called the Picts. It is a historical romance about two seemingly disparate people. The heroine is a Roman noble woman who has come to Hadrian's Wall where her father is in charge of the Roman army. She is immediately attracted to a Pict prisoner being punished. Taking pity on the deplorable prisoner conditions, Valeria tries to help all but gives Taran help to escape. Taran returns the favor when he saves Valeria when the Roman's are overwhelmed by the people's they considered barbarians.

Valeria and her slave are captured by a cannibalistic group. After being saved by Taran he takes them to his homeland. This book is full of action, problems to overcome for a budding romance, and the culture of an ancient peoples. The two main characters are strong personalities but also people who care deeply for each other and for others. I enjoyed the romance and twists and turns to find a HEA. Additionally, the unique time and ancient people and their customs were fascinating. I thoroughly enjoyed and highly recommend this book.

This book is a detailed tale of the love between two people that by rights should have been enemies. It is very revealing as to the life and philosophy of not only the Romans that occupied the lands of Britania but also the life and philosophy of the Pict nation. Wonderful and enchanting story. A must read for fans of not only romance but of history. Settle in though this is not a short story but one rich in adventure and just how far a woman can be pushed to survive. You expect it from the tough Pict warriors but from a sheltered Roman princess is is astonishing.

A great read!!! I don't usually read Roman-era novels but as it included the Picts I gave it a try and I'm glad I did. It was an exciting story that kept my interest throughout with complex characters and lots of action....and it included a HOT romance between Taran and Valeria. Highly recommended. I can't wait to read the sequel!

Ms. Jarecki is a great storyteller. This is the third book of her's that I have read and she does not disappoint. (I gave this book a four because I couldn't give it a 4.5.) These types of books can become cliché very easily but somehow, the author finds a fresh way to tell her tales.

This was a magical story that aims for the heart and never misses. It had a wonderful cast of characters, deeply emotional, filled with passion, engrossing and the characters leaped off the pages. I highly recommend this book. Debi Allen

Amy writes so well, she keeps your interest throughout every novel. You get so wrapped up in the story it's like you are right there with them. So real, it's as if you lived in the times. Highly recommend.

This book is a must read. You'll fall in love with the characters. It will make you laugh, cry, and its also a hot story.
