## Synopsis

Step into the lush, sensual world of the Vikings with Shieldmaidenâ€™s Revenge (Viking Lore, Book 2): Madrena burns hot for revenge against the man who attacked her village and shattered her life five years ago. When a dark-haired stranger named RÃ©nin washes ashore in her village, he promises to be her guide in exchange for his freedom. Though RÃ©nin knows the man Madrena seeks, his life depends on keeping her at a distance, lest her sharp gray eyes discover the secret he must protect at all costs. Despite the danger, Madrena risks trusting RÃ©nin. The two travel deep into the Northland wilds, only to be entangled in a world of secrets and peril. Even as they resist the heat that crackles between them, the fires of desire rival those for vengeance. But when Madrenaâ€™s plans are threatened, will the fierce shieldmaiden choose love over war? And can RÃ©nin save them both from their pasts?

## Customer Reviews

This is book two of Viking Lore series and it is magnificent! Well who doesnt love a warrior women who is tough as nails. A sexy secretive outlaw heroe who thinks the heroine is Freyja at first glance! I read the first book of this series "Enthralled" met Madriana and her twin brother Alarec. He is the hero in book #3, Desire's Hostage. Just have your hankies ready for this one: had me sobbing throughout the book! That is actually is a good thing if I get that emotional over a story as Emma

Prince is one grand extraordinary storyteller! 807 A.D. Five years prior Madrena was brutally attacked in a raid has been dreaming of the day she can get revenge on her enemies! That attack took something precious from her which forever altered her and made her the strong shieldmaiden she became! The sole reason she became a trained woman warrior and shieldmaiden. So no man could ever hurt her ever again! A man RÃºnin is shipwrecked and promises to help her find her enemy in exchange for his freedom. When he realizes who she is looking for he knows he must keep it from her if he values his life. As RÃºnin is running from his own demons and nightmares as something happened to him fourteen years prior that changed him forever! They both go on a treacherous journey and confront their demons of the past, but when things don't go as planned for Madrena will RÃºnin be able to save them both in time? As the attraction and love starts to grow will these two even be able to put their demons aside and forgive and forget and move forward?
