Iditarod Glory

Synopsis

As the Iditarod's official photographer since 1981, JEFF SCHULTZ has documented this amazing combination of frontier spirit, physical endurance, and human-dog connection in a stunningly beautiful and sometimes brutal landscape. In IDITAROD GLORY we see the best photos from a man who has dedicated himself to this race for twenty-five years, and who nearly lost his life one year in a plane crash on the job. His evocative photographs capture all aspects of the race from the pre-race frenzy on 4th Avenue in Anchorage to Burled Arch finish in Nome. Rare, behind-the-scenes photos that only the official photographer could manage, are also included.

Book Information

Customer Reviews

What a wonderful picture book of the many aspects of the Iditarod Sled Dog race. This gives in picture and written word the trial and tribulations of participating in the most famous dog sled race. If you love dogs and want to learn more about the Alaskan Huskies, this provides a great way to learn!

Another GREAT book about the Iditarod! Pictures are AWESOME!

A beautiful, oversized, classic retelling of the Iditarod tale, as only Brian O'Donoghue can tell it, enhanced by dozens of awesome dynamic photos by Iditarod's Official Photographer, Jeff Schultz. A highly collectible book on the Last Great Race across Alaska.

ANOTHER BEAUTIFUL BOOK.
