This is really for me! I never knew that Reiki could help me in many ways, and with all ages! This

book teaches me the most important thing that I need to learn is facing stress positively! I feel relaxed now because I have this beginners guide. Thank you for this!

Interesting book for anyone who wants to learn more about Reiki healing. Personally, I am not sure about it. This book explains it pretty well so some of the techniques seem kind of useful to me.

I enjoyed this book. It was done simply so a beginner can understand. It wasn't complicated, which made it didn't intimidate the reader
