# Havok: A Bad Boy Mafia Romance

## Synopsis

He takes what he wants. I'm a hitman for the Russian mafia, a savage killer. I have nothing, and no one. I was never interested in all the women that threw themselves at me, looking for a wild night with a dominant, muscular bad boy like me. Until I met her. A broken-hearted, sweet-as-sin dancer, barely making ends meet. She did what no other girl could: she made me feel human again. My mission was simple. Kidnap her, then cash her out for a cool hundred grand. F\*ck that. Not with those seductive curves and submissive eyes begging for my domination. I'm claiming her as mine. Even if it means slaughtering every last son of a b\*tch in this filthy city. This is a standalone, full-length mafia romance with a filthy-mouthed, possessive bad boy. Dark mafia themes throughout. No cliffhangers. Guaranteed HEA.

## Customer Reviews

I received an ARC for an honest review. This is the first book I've read by this author but it won't be the last! Wow! This one hits hard. Talk about bad boy. Havok is baaaaad. A hitman for the Russian Bratva in New York. Doesn't care. No feelings. Does his job. Moonlights as a bodyguard at a strip club where he meets Penny. She strips to support her drug addiction and her abusive ex. Suddenly, Havok cares. Then the mob marks Penny for sex trafficking and Havok has to decide if he's going to

be loyal to his employers or to Penny (and she may not want it). He chooses Penny and now they are both in trouble. She's going through withdrawal and hates him and he's got to keep them both safe. Was it worth it? See what he thinks. See what she thinks. Read the book. Raw, gritty, violent, but oh so good.

Wow! This is my first time reading Riley Rollins work & I really enjoyed it. I couldn't put down the book until I was finished. Havok is a sexy, violent, and dark man. Penny had things happen in her life that have brought her into Havok's life. This book is raw, hot and violent. I found myself entranced with these two characters. I would definitely recommend it to anyone looking for a great bad boy read. I can't wait to see what's next from Riley. Keep up the awesome work!

Havok! should warn that if you have triggers Havok has several. Penny is in an abusive relationship, is a stripper and a druggie. She also has feelings for Havok that she is fighting. Havok is a hitman for the Russian Mafia and he is a bouncer at the strip club that Penny works at. Things within the mafia are changing and not in the good. He is given the task of kidnapping Penny. However, things for from bad to worse when her boyfriend shows up and Havok kills him and Penny happens to see. Havok takes her back to his place to "keep safe" however, he hand cuffs her to the bed whenever he leaves. Things with Havok aren't what they seem and he and Penny have so much that they will need to figure out and work through to get the HEA. I receive a copy for an honest review

Penny was a med student until a terrible accident leaves her with a nasty addiction. She starts stripping to pay her rent and have more pills to numb the pain. Havok is a hit man for the Russian Mafia but at night he's a bouncer at the club where Penny works. He wants this girl but knows he should stay far away because he's a bad man. Circumstances arise and Havok steps in to whisk her away to make sure she's safe. But how safe can she be when she's handcuffed to a bed? Read to find out what else happens in this fantastic story! \*Arc for honest review

This book ended up a disappointment. Not because it was bad, but because it had so much potential and then nothing happened with it. It's one of many mafia/sex trafficking books, but the beginning was written well and I liked the build up. Then suddenly it just basically goes downhill for me. I don't believe the main characters love because there's no real ground for it and I hated the dialogue that was supposed to be romantic/sexy between them. Also, I'm not sure if this was just my copy I downloaded, but the book ended and it still said I had just over half completed. Then it goes

into thank you's from the author and a sample of a new book. It was rushed and I didn't even know it was ending. Great start, downhill after that, to me, unfortunately.

Disclaimer: I received an ARC copy for an honest review. Havok had one job and one job only. As a Hitman for the Bratva he didn't need the measly money working at the club. He also wasn't betting on kidnapping the girl that makes his jeans tight and hypnotizes him. The girl forbidden for him, but all beats are off when her sleaze bag of a boyfriend comes looking for her at the club. Touching what Havok cannot!!!! And Havok sees red! And the beast comes out to play. Now Havok has no choice but to take her home. Keep her safe from traffickers. Keep her safe from his pig of a boss and not screw up by tangling himself with her. But Penny is hiding skeletons of her own. She has nothing. Nobody but her piece of crap of a boyfriend. Who does nothing but beat her and take her money. The reason she can't kick her habit. But Havok changes everything!!!!!! If you love bad boy's and sexy Hitmen even more then you'll enjoy this read by Riley!!!!

I received this as an ARC in exchange for an honest review. Alrighty \*rubbing hands together getting ready to type\* So Havok, Ok heres what I thought and got out of this book, I liked it, a lot, it may not be for everyone though, it's a bit raw gritty and descriptive, and for anyone who cannot read in a fictional way about murder, death, rape, sex trafficking, drugs, women getting abused or mildly about drug withdrawal process this may not be the book for you. All that being said, I was really taken by the story of Havok ( Real name Vladimir) a Russian Hitman who works for a branch of the Russian Mob Bratva in New York, He enjoys the kill and not much else, never wanted after his fiance was killed when he thought he was protecting her. Except Penny the stripper at the club Fascination, that Havok moonlights as a bouncer for at night, helps out with his hitman runnings, he has a eyes for her, of course he will never do anything about it because in his world you do not let people close. They end up having to become extremely close after a series of events put them together, against Pennys wishes (sort of) Havok has to protect her from the very same people who he takes orders from, things certainly get messy!!! thought this book was well written, as mentioned above descriptive, sometimes maddening, (some of the women and men in books ! owe!) serious yet sweet in some ways read that I couldn't put down, with a great HEA.
