## Synopsis

A thick, Boston accent? Check. A filthy mouth? Check. Tattoos over every inch of his rippling muscles? Check again. Hunter is everything I'd always been warned against. He's the man they always told me to steer clear of. And he's the man I want more than anything I ever saw in my life. I don't care if he's trouble. I don't care if he swears more than a sailor. Everyone can get used to it. Because no one tells me who to love. Hunter My name is Hunter, and when it comes to my woman, I don't play around. I feel her. I protect her. I love her ferociously. Some people say I go too far. They think I deserve to be locked up. I'm not a reasonable man. I've got more blood on my hands than you've ever seen. And I'll tell you right now, I would kill for my woman. Isn't that what true love means? Am I an animal? Am I a monster? Sure. But Kelly changed me. She's the one I protect. She's the one I kill for. Most men don't know what it means to be willing to die for their woman. I'm here to show them. My name is Hunter, and if anyone ever threatens Kelly, if they even think about it, I will hunt them down, and I will kill them. This is a full length romance novel with a happy ending and lots of surprise bonus content.

## Customer Reviews

Reading Heart of the Hunter I started out not liking him because he was just so mean and rude! And the way he would talk to Kelly I just wanted to scream. I think if i were Kelly, Hunter and I would be going at it. So as I was reading I was getting MAD. But as I continued to read, I started to see why Hunter was the way he was. He had a hard life and from the way his "father" treated him I could understand why. I also loved how Hunter would have conversations with himself. I mean he would really have some serious debates with himself. When he and Kelly come together, he's her savior and eventually she saves him. I first of all loved Kelly because she's raising her brother Lucas and she is really a strong woman. The way she handles Hunter and all his "language" was commendable. Kelly and Lucas have been through a lot as well. With losing their parents they have Grace to be that person that really cares for them. But when Kelly and Hunter come together its as if they were meant to find each other. Like finding your soul mate. Although Hunter is a bad boy, he has a beautiful heart and with Kelly he just couldn't control how he felt about her. Hunter and Kelly's union is so strong that Hunter can't even get her scent out of his head. Both of them can feel each other's presence. And when you don't even have to look for that person and you can just feel their presence, that is a strong bond. Not even drinking or smoking could stop the feelings Hunter had for Kelly. He was addicted to Kelly! Now to Kelly's brother Lucas. I loved Lucas!! He's your typical smart alec kid who makes reading this book even more enjoyable. The banter he has with Hunter had me laughing out loud! If Hunter cursed, Lucas had a statement about it.

**HEART OF THE HUNTER-SUSPENSE-ACTION & SIZZLING ROMANCE** This story features; HUNTER, is strikingly handsome, full of tattoos, loves drinking and smoking, has an alpha persona, but also a protective nature; KELLY, a sassy, curvy green-eyed beauty. What you'll find in this story; a cast of remarkably impressive and engaging characters, fabulous story-line, picturesque and powerful scene descriptions, phenomenal banter, action packed, gripping suspense, horrific danger, life threatening incidents, gut-wrenching moments, camaraderie, family love, earth-shattering heart-throbbing sensual romance, and a melt your heart conclusion leaving you wanting more. Hunter has fled Boston, leaving the Donnelly Clan and his hired gun job behind. He knows damn well the man who took him in as a kid now wants him dead, and is searching for him. He is lying low in Stone Peak, Montana, taking a job as an auto mechanic, having his fill of liquor and smokes. He planned on staying awhile then moving on, that is until he comes face to face with Kelly the waitress at Gracie's diner who triggers all his possessive and protective instincts. The moment he looked into her spellbinding green eyes he was toast. A hypnotic pull draws Kelly to Hunter even though she feels he has a dark side. Hunter is definitely not prince charming, but Kelly

can't stop thinking of him. Old man Donnelly is a violent man, and is coming after Hunter with murderous vengeance on his mind. WOW/INCREDIBLE fast paced roller coaster of a story by a gifted author. The author does a fantastic job with Hunter's character; vividly describing his bad boy persona. Though Hunter had an abused childhood and led a life of crime due to his adoptive family, he turns out to be a caring and protective man.
