Lacey Luzzi: Spooked: A Humorous, Cozy Mystery! (Lacey Luzzi Mafia Mysteries Book 6)

Synopsis

Tony Soprano, meet Stephanie Plum. Over 50,000 Lacey Luzzi books are now in the hands of mystery readers! #1 Bestselling mystery series in Humor & Cozy Mystery categories To try a Lacey Luzzi book for free, please sign up for my newsletter at www.ginalamanna.com-----Trick or Traitor? Haunted houses, candy, costumes...and a ghost. Once again, Lacey Luzzi hasn't signed up for any of it. Except the candy. But when Carlos corners her with a very special request, she can't bring herself to say no. With three days to Halloween, Lacey is drawn into a high stakes mission where she's forced to investigate those closest to her - and they don't like it. However, Lacey doesn't have a choice. If she can't expose the traitor in time, the Luzzi Haunted House may take a turn from spooky, to downright scary. ** ** Lacey Luzzi: Spooked is a full-length, humorous cozy mystery with a strong female protagonist in the spirit of Janet Evanovich's Stephanie Plum, albeit one working for the wrong side of the law | Note: This book can be read as a standalone, though it is part of a larger series and not all plot lines are resolved in a single book. It is rated a strong PG-13 for sarcasm and mild language. No graphic gore or sex.

Customer Reviews

A chill is in the air and shenanigans are afoot in this entry of my favorite mystery series! Lacey and crew are gearing up for the candy holiday of the year. . . Halloween! Between trying to solve the mystery of who her father is, spending time with Anthony and working on their (adorable!) New relationship Lacey is also working on a new case for Carlos and turning the Luzzi compound into the best haunted house the town has ever seen. There is so much going on in this story that its almost impossible to contain it all in just one review but i'm gonna try! Carlos brings Lacey in on an case of a crown gone missing -- he thinks those responsible are in the Family and he dosen't want to tip them off early so he demands that Lacey keeps this mission top secret. . . But Anthony gets wind of it and begins to help Lacey ferret out who the culprit is. During the course of the story they have several cute moments together and they have finally hit their stride (work wise!) Lacey is starting to actually have some not quite so zany plans which impressed Anthony and its been amazing to see her transition from the first couple of books when she did solve the case but it was almost by pure accident haha. She is becoming more savvy and while she still has the quirky investigation methods we have come to love she has really come into her own. The one thing I never thought we would see in this series happening in this book and for a while had us questioning if Meg and Lacey's friendship would survive! (I know, I was shocked and more than a little heartbroken at the thought) but it made for a shake up that kept the story fresh and the reader on the edge of their seat. I get both of their points on the argument but seriously ladies!
