Mr. Darcy's Present: A Pride And Prejudice Holiday Vagary

Synopsis

The Greatest Present He Would Ever Receive is the Gift of Her Love |What if Mr. Darcy purchased a gift for Elizabeth Bennet to acknowledge the festive days even though he knows he will never present it to her? What if the gift is posted to the lady by his servants and without his knowledge? What if the enclosed card was meant for another and is more suggestive than a gentleman should share with an unmarried lady? Join Darcy and Elizabeth, for a holiday romp, loaded with delightful twists and turns no one expects, but one in which our favorite couple take a very different path in thwarting George Wickham and Lydia Bennet's elopement. Can a simple book of poetry be Darcy's means to win Elizabeth's love? When we care more for another than ourselves, the seeds of love have an opportunity to blossom.

This book was introduced on a blog with an excerpt that left me longing to open the pages. It has a connection to the Christmas holidays but is of a certainty one which transcends a placement among those limited to seasonal reads. As the book description tells us, Fitzwilliam Darcy, having been rejected in an earlier-than-canon proposal cannot keep thoughts of Elizabeth Bennet from his

mind. And even in accepting that she will not be by his side in the future, he secures little treasures, writes letters and saves mementoes which are saved away as they can never be given to or shared with her. In the tradition of estate owners and heads of families, Mr. Darcy is out and about town with his valet seeking gifts for family, acquaintances, tenants and servants. He buys a token for Elizabeth to hide away with those other things which he saves. An accident of dire proportions put him into unconsciousness for two days and takes away the use of his hand. So he cannot address the greetings which go with each gift and there are some of a personal nature which not just anyone can write out for him. So when Charles Bingley, who has been in attendance for the two days he was absent, offers to help out it is with unavoidable angst as to his friend's illegible handwriting that he has no choice but to accept. The presents are set upon his desk and the notes placed with them along with Darcy's calling card as he cannot sign the notes. During the holiday rush servants are in charge of sending out the presents and when a mishap occurs during which cards are separated from the intended gift and then attached to another, Darcy does not find out about this mix up until his sister breaks down in tears upon opening the impersonal note attached to her gift from him.
