## Book Information

Paperback

Publisher: Charter; First Paperback Edition edition (1987)

Language: English

ISBN-10: 0441771947

ISBN-13: 978-0441771943

Product Dimensions: 6.8 x 3.6 x 0.9 inches

Shipping Weight: 5.6 ounces

Average Customer Review: 4.4 out of 5 stars [See all reviews](#) (28 customer reviews)

Best Sellers Rank: #371,109 in Books (See Top 100 in Books) #755 in [Books > Sports & Outdoors > Football \(American\)](#)

## Customer Reviews

Summary -Wine, women, song - and football - what's not to like? Snake isn't War and Peace, but it is a lot of fun.Review - Way back in 9th grade (1986-1987), I had to take Alabama History. Our teacher had this old crank come speak to the class and tell us about some recently-published books about Alabama. I can't remember much of what the guy said, as most of the books he discussed were about dull stuff about which I couldn't have cared less.However, I do remember one book that he mentioned, Kenny Stabler's autobiography, Snake. This book, he told us, was not something that any of us should read; it was all about Stabler's bad habits while playing quarterback at The University of Alabama and in the NFL. Of course, I made a note to read the book, but it took me many years to get around to it. (I was bone lazy in the 9th grade).Actually, the crank did have a point about the book Snake - it's loaded with wine, women, and song, which is what makes it such great, light reading. Snake details how he used to stay up all night. (That's no exaggeration - he literally did not go to bed the nights before some games). There are lots of other wild stories about Snake -1) hanging out in a hot tub - nude - with Raider teammate John Matuszak and some flight attendants,2 leaving Raider teammate Dave "The Ghost" Caspar alone on an oil platform in the Gulf of Mexico for several hours during a fishing trip,3) as part of his initiation into The University of Alabama lettermens club - walking around the UA campus with a book and a pencil and asking coeds to sign the book. What the women didn't know was that that the pencil was attached to a string that ran under Snake's clothes and was tied to his "member."
