God Help The Child (Vintage International)

Synopsis

A New York Times Notable Book One of the Best Books of the Year: *San Francisco Chronicle*, *St. Louis Post-Dispatch*, *Kansas City Star* At the center: a young woman who calls herself Bride, whose stunning blue-black skin is only one element of her beauty, her boldness and confidence, her success in life, but which caused her light-skinned mother to deny her even the simplest forms of love. There is Booker, the man Bride loves, and loses to anger. Rain, the mysterious white child with whom she crosses paths. And finally, Bride's mother herself, Sweetness, who takes a lifetime to come to understand that *what you do to children matters. And they might never forget.* *—* *Book of the Month Club* A fiery and provocative novel, *God Help the Child* "the first book by Toni Morrison to be set in our current moment" weaves a tale about the way the sufferings of childhood can shape, and misshape, the life of the adult.

Book Information

Series: Vintage International

Paperback: 192 pages

Publisher: Vintage (January 26, 2016)

Language: English

ISBN-10: 0307740927

ISBN-13: 978-0307740922

Product Dimensions: 5.2 x 0.6 x 8 inches

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars *See all reviews* (771 customer reviews)

Best Sellers Rank: #14,743 in Books (See Top 100 in Books) #46 in *Books > Literature & Fiction > Women's Fiction > Mothers & Children* #67 in *Books > Science Fiction & Fantasy > Fantasy > Magical Realism* #302 in *Books > Literature & Fiction > African American > Women's Fiction*

Customer Reviews

Let me acknowledge an important truth about this review: an aspect of it is completely unfair. It has an expectation and a hope that holds one of the greatest novelists of the last half century to a higher, unfair standard. My first read of *Song Of Solomon* as an undergraduate was like my first glimpse of the Grand Canyon. I had no point of reference to describe its brilliance, its ability to astonish. *Beloved* was even more powerful. When an author can, convincingly depict an act of murder as both understandable and loving, readers have to put down the book and rethink what they know to be true. Such is the greatness and the burden of being Toni Morrison. Folks (like me)

are always jonesing for another cathartic moment. While I acknowledge the unfairness of expectations, I'll stick to the 3 stars. Even earlier TM is much better than God Help The Child. There is a wonderful moment in The Bluest Eye when the child of a family housekeeper unintentionally spoils the birthday cake of the white employer. It is the innocent action of a child, but angers the mother. She blames her own flesh and blood because a white child's birthday is tarnished. It is a searing testament to the invidious power of racism. When one is so completely certain that they are inferior, one puts another's child before their own. It is revelatory for those who have not experienced such a moment. There are none of these moments in God Help the Child. Ms. Morrison writes very well, and the story of Birdie is interesting. Occasionally it's engaging but never remarkable. Racial, biblical and cultural archetypes are the foundation of any Morrison work but here they seem familiar, not astonishing. The introduction of Rain and her connection to Birdie was the most intriguing to me, but not fully developed.
