The Language Of Spells

Synopsis

When you are ready, seek, and you shall find. It is your gift. Gwen Harper left Pendleford thirteen years ago and hasn't looked back. Until an inheritance throws her into the mystical world she thought she'd escaped. Confronted with her great-aunt's legacy Gwen must finally face up to her past. The magic she has long tried to suppress is back with a vengeance but gift or burden, for Gwen, it always spells trouble. She has to stay " she has nowhere else to go " but how can she find her place in the town that drove her out after branding her a witch?

Praise for Sarah Painter "Sarah Painter is a talented new writer, and her debut is a charming, romantic and intriguing story, with a little touch of magic. It had me enchanted." - Clodagh Murphy

This really was a fantastic debut novel | The language was also simple but elegant and meant that the story flowed seamlessly. I honestly could not put it down.' - Laura's Little Book Blog

The plot had great twists and turns and when I thought I had the story figured out, the story would go in a different direction and surprise me. I didn't want to put it down and the further I got into the book, the harder it was to stop reading | A wonderful debut novel and I'm looking forward to reading the next one.' - Novel Kicks

I thoroughly enjoyed The Secret of Ghosts. It was just as magical and just as enjoyable as The Language of Spells and I am soooooo glad Sarah Painter decided to go back to Pendleford. | I really do love magical fiction and I think Sarah Painter is one of the best at giving you a realistic look at magic and all that comes with it.' - Chick Lit Reviews on The Secrets of Ghosts

Customer Reviews

I adored this book. I loved everything about it from the storyline to the believable characters to not wanting to put it down till I was finished. It is one you will want to read in one sitting. It's a very well written story that flows nicely and keeps you there till the last page. Like I said I adored it. So you have read the Blurb right? And it pretty much gives you what you need to get you interested well let me tell you there is so much more to this book. What would you do if you were called nasty names made to feel like you were weird when all you wanted to do was help find someone. Well Gwen has to deal with this along with her powers and her own sister not understanding who she is, and leaving your boyfriend behind for the fear he wouldn't understand either. Well you leave move from place to place and suppress your powers. Until you are called back to that town and find out your Great Aunt has left you a house. And oh what a house it is, it holds loads of secrets. People turn up at all times of the day and I loved that part some of the characters are hilarious. I loved Cam and Gwen you could see right away they should be together they do have their ups and downs and I think Cam's mother plays a big part in this oh she is a cow but Gwen won't let her get her way twice. There are some spicy bits between these two and the Author writes it just right for the story. I loved Ruby and Gwen's relationship it's your typical sister relationship where you hold something against each other but you still kind of talk and then something big happens to bring you back together again. This relationship felt very real to me. As Gwen powers get strong she finds someone is trying to get rid of her.
