Weaving Destiny (The Soulkeepers Series Book 2)

Synopsis

Destiny is a fabric woven from our choices. Choose wisely. Book 2 of 6 in the bestselling Soulkeepers Series. Malini Gupta thought Jacob Lau was her destiny. But after months of failing to decipher how she fits into the Soulkeepers, frustration threatens to tear their relationship apart. And it doesn't help that a new Soulkeeper named Mara is ready to stop time itself to earn Jacob's love. When Malini faces her worst fears, and even death, she learns a funny thing about destiny. Fate is a tapestry of choices, and she has the power to weave hers. Don't miss these other books in The Soulkeepers Series! Customer Reviews

Book 1 was about Jacob...book 2 is about Malini.What I love about these books is that while the author does choose a main character to focus on, she doesn't exclude the other characters. They're all still a part of the same story...only you're allowed more insight into particular characters. Not only that but you actually CARE to know more about these characters. I've read books that have done

this multiple character thing only to fall short by dedicating each book in the series to a separate character entirely or choosing to focus on side characters we never got to really know or care about. This series does the whole multiple character thing perfectly. Like I said...this book is about Malini. You learn a lot more about her and her family as well as her frustrations at being, so far, the weakest link in the Soulkeeper circle they have. Along comes Mara, another soulkeeper, and Malini's insecurities are added to the mix. Malini knows Mara has her eyes set on Jacob, what she doesn't know is whether he feels the same. This is also the book where we find out exactly who Malini is and that Watchers are not their only enemy. Jacob's cousin, Katrina, also plays a bigger role in this book than she has before. Ok, so first of all...obviously there is going to be some drama in this book with the whole Jacob-Malini-Mara love triangle going on. The author executes this drama perfectly. It doesn't go on too long, it's not dragged out to where I'm thinking 'Omg I get it...enough already...', and I don't feel like emotions are forced just to keep the drama going. All the emotions make sense, the reactions make sense and through this whole thing we get to know Mara as her own person and not just some girl trying to come between Malini and Jacob.
