When God Whispers Your Name (The Bestseller Collection)

Synopsis

Are you ready to hope again? Are you ready to let go of doubt and sorrow? Just listen carefully. God is whispering your name. Somewhere, between the pages of this book and the pages of your heart, God is speaking. And He is calling you by name. Maybe that's hard to believe. Maybe you just can't imagine that the One who made it all thinks of you that personally -- that He keeps your name on His heart and lips. But it's true. In the Bible and in the circumstances of your life, He whispers your name lovingly. Tenderly. Patiently but persistently. Let these stories remind you of the God who knows your name. Some of the stories are from the Bible. Some are drawn from everyday life. Most are about people who are lost ... or weary ... or discouraged -- just like you may be. If you let them, they will tell the story of your life. And the story of a God who speaks into your situation. So listen closely as you turn these pages. Listen for the Father's gentle whisper that can erase your doubt, your sorrow, your weariness, your despair. It really is your name that you hear, and the Voice that calls is more loving than your ever dared dream. Listen. And learn to hope again.

Book Information

Series: The Bestseller Collection

Hardcover: 256 pages

Publisher: Thomas Nelson; Special edition (June 7, 2009)

Language: English

Customer Reviews

This is the first book written by Max Lucado that I've read. It's one of his earlier works. His writing style is a little different than those of most other authors whose books I've read, but it's a good kind of different. The book is written in a more conversational tone. It's kind of refreshing after reading so many books written in a formal, ridged style. This book discusses how to listen and hear when God whisper's your name. The book is basically a compilation of several short stories that all lead to a

centralized theme. The author tells a story and then explains how it applies to life. This style results in a great book that aides in your walk with Christ. When God Whispers Your Name has a powerful message. This book is a breath of fresh air in a world filled with smog. It's definitely worth reading.

"When God Whispers Your Name" is an inspirational book based on Biblical stories presented in modern disguises. Max Lucado tells the modern story and then identifies the Biblical original. He does so in a way which holds the reader's interest and is never boring. My daughter is in a challenging, Biblically based Theology course I had gone into this book in the hope of enhancing my familiarity with Bible stories in order to help her. I obtained what I wanted, and more. Lucado tells Bible stories in ways that make them memorable. I approached this book with some trepidation. As a Catholic, I expected this Protestant minister to overwhelm us with quotes and citations. There is some of that, but they never interfere with the story. This book provides the reader with a road map to a more intense personal relationship with God. As I went through this book I found myself to be both inspired and excited. It can do the same for many Christians and others too.

Lucado writes in a conversational manner. His strength is in his ability to tell stories. He takes a familiar Bible passage and presents it in a fresh context. Like most writers he also has a gift for creating quotable phrases. An example is "We seldom see history in the making, and we seldom recognize heroes" (p. 33). A second example is "Faith in the future begets power in the present" (p. 44). And a third, which is an epiphany of an observation, "I challenge you to find one soul who came to God seeking grace and did not find it" (p. 53). Lucado's book leaves people feeling good about themselves.

I really enjoyed this book as well as Lucado's other writings. He has such a great gift of being able to take simple stories and make such strong and good points through them which are applicable to our lives. In the beginning of the book Lucado wrote, "this book has been written for one purpose, to encourage." That purpose was fulfilled. I could have read this book in probably two hours because it is such easy reading. But instead I spaced it out to where I only read a few pages a day so I could ponder what he said throughout the day. I go back to previous chapters almost daily for a quick encouraging word. There is so much Lucado says in this book that makes you sit back and smile and say, "Our God is an awesome God!" So, if you want some smiles and encouragement and many good things to ponder throughout your day, pick up this book and give it a read. I hope you will enjoy it.

I just finished the book today, and all I can say is wow! When I bought this book about a week and a half ago, I never thought I would enjoy it this much. I picked up this book when I was struggling to deal with some depressing times in my life, and this was God's answer to my struggles. God's love is presented right there through Max's words. He did not tell you to do anything, he simply presented what Jesus did for us on the cross in everyday terms. I highly recommend this book to anyone who is going through some hard times or anyone that wants to feel lifted up!

This book made me feel so wonderful and loved by the king himself - God! Lucado has a great way of expressing God's love for all people and he seems to be talking to you individually. Awesome!

Max Lucado does it again! With this book, He portrays a picture of how much God cares for us. If you are not sure how much God loves you, definitely recommend this.

This was the first Max Lucado book I have read and I was completely enthralled by his writing. His continual references to the scriptures and his real-life examples really made me feel like he was talking directly to me. More so, I felt like God was speaking directly to me through the pages of the book. This is a must read for all Christians, but especially for new Christians like me.
