The Shariyat-Ki-Sugmad, Books One&Two

Synopsis

The Shariyat-Ki-Sugmad means Way of the Eternal. These writings are the scriptures of Eckankar, Religion of the Light and Sound of God. Though they're possibly the oldest teachings known on earth, they speak to you directly--today. They come alive in your heart. Through The Shariyat-Ki-Sugmad you will discover an answer to every human question ever yet, or to be, devised. Its pages tell what life really consists of and how to live it. Eckankar is ancient wisdom for today. Its teachings, which resurfaced in 1965, emphasize the value of personal experiences as the most natural way back to God. Whatever your religious background, they show how to look and listen within yourself--to expand your consciousness and enjoy spiritual connectedness. See for yourself--perhaps for the first time--how to lead a happy, balanced, and productive life. And put daily concerns into loving perspective.

Customer Reviews

I LOVE the search feature with this digital version. I open via Kindle and search quickly on terms like "service," "love," "gratitude," et cetera. And if I were Soul-traveling, where might I hear the sound of

"buzzing" like bees, or "birds" twittering, or "bells" of any depth from the slow-deep reverberation made by a monk swinging a 6" caliber log into a 5-foot-tall hanging metal bell to the softest tinkling bell sound of sand thrown against a windshield. Thanks!

A life-changer for the humble spiritual seeker. This two-volume book is a vast spiritual seed bank. Your heart is the fertile ground through which these seeds of wisdom will come to fruition. You'll be experiencing a 360-degree viewpoint, which takes getting used to while journeying through and appreciating the depth of this masterpiece. Contemplate chapter 7 "The Transcendence of Love" in Book One and you'll know what I mean. This is food for Soul, the eternal spark of God that you really are. But honestly, your mind of itself is ill-suited to help you unlock the bountiful wisdom included in these writings. Let your dreams blossom on holy ground!

Priceless insights and wisdom gleaned from the wisest sources available to humanity. A real gift to all spiritual seekers. These books, "The way of the SUGMAD", give direct knowledge, both esoteric and practical, about our true nature and the way to make our lives happier and richer. Every chapter contains wisdom beyond this word.

I purchased this book to add to my collection of "New Age" writings. What was interesting was its clarity and very unique way it laid out its teachings. It seems a condensed version of ancient truth. I will continue to review the book(s) but from my observation it makes a great study into spirituality from a non traditional religious view point. By the way the print is readable and the excellent quality of the book itself speaks a lot about the contents quality.

The most spiritual book in all the Universes... As you grow as a spiritual being the book will show you different understandings of all you can be aware of... What you understand from this book... No one can dismiss the revelations this book holds.. It is determined by your state of consciousness.

The Shariyat-Ki-Sugmad is the bible for ECKANKAR, the religion of light and sound. It is one of those books that you can read bit by bit and contemplate on the words and go deeper into the spiritual meaning for yourself. I first read this book about 18 years ago and was blown away by the information it gives and the clear messages from Sugmad (God) and several ECK Masters. I downloaded a copy into my tablet so I can carry it where ever I go! Thank you, ECKANKAR, for allowing everyone who wants a copy to have it.

I was thrilled to be able to purchase the Kindle version of this book. I am excited at being able to create clippings for my favorite passages for quick reference. Also, I can now take the Shariyat with me whenever I travel. This has been a wonderful gift. As for the contents of this two volume set: It will fill you with hope and love and joy and awe! Enjoy!

This book is a breath of fresh air! It answers any question a spiritual seeker might have, also shining light upon information one may not have considered. It will help raise your spiritual consciousness. Must read!
