## Customer Reviews

I am interested in any history of Eckankar and this author, David Lane--although much maligned by Eckankar--did some incredible research into this religious org. That said, I was disappointed in this because it is only a few PAGES of a back and forth in letters between Darwin and Lane. He only has a few lines from Darwin Gross and then paragraphs of his eloquent argumentative responses. I would VERY MUCH have liked to see the entire letter from Darwin--not just a line or two and his wordy arguments against it. \*\*Still interesting but Mr. Lane, if you HAVE the entire letter, post that too along with your replies in their entire format--and then take it apart with your scholarly arguments....not just selected snippets!

Mr. Lane is quite an eloquent writer. That's the only reason for 2 stars versus one. He has spent many years lambasting and learning to lambast the religious beliefs of others. I have read his online arguments and heard some of his audio. He is very convincing that everyone else's ideas is/are a 'demon cult' of some sort. Hence my title, 'the mind does not understand God'. God, Spirit, Infinite Being, (whatever) will not be put in a box. The most sacred thing in the universe is YOUR personal relationship with God. It is Perfect. Once 'man' gets involved she/she brings in the mind. They will bring their own personal biases and beliefs into the equation ready to tell you how anything you do buyt what THEY tell you will earn 'eternal damnation'. This will devastate your spiritual growth. Pray, read the spiirtual boks you are led to. YOU will know what is right and moral if you place your trust in GOD. Search!

Paul Twitchell, the founder of Eckankar, plagiarized from many authors. Most of his works were plagiarized from Dr. Julian Johnson who wrote in the thirties. I purchased Dr Johnson's books and saw for myself that most of Paul Twitchell's writings were not original, but were plagiarized from an American Dr. who had been to india writing in the 1930's! Plagiarism is lying and the founder of a religion would not deliberately lie if he had direct revelations of the divine. I had brought this to the attention of some of local leadership of Eckankar in my state. They denied it and said "truth is truth wherever you find it." But when I realized he plagiarized from Kirpal Singh's works and Julian Johnson's works and others "WORD FOR WORD" this was not just truth but he was passing off other's works as his own which is dishonest. Seek the truth and you will find it. David Lane wrote a complete expose of all the falsehoods of Eckankar. Too bad only a few pages are available online...

Eckankar folks will want to read this one, even though they will probably not believe any of it is truthful.
