Dirty Professor

Synopsis

He wanted to do dirty things to me. But it didn't stop there. He wanted to teach me to do dirty things to him. He wanted to teach me how to take a spanking, how to take him in my mouth, how to stay quiet while I was bent over his desk. He was my professor, so of course I knew it was wrong. He had a reputation for breaking hearts and leaving destruction in his wake. But I couldn't resist his demands, his blue eyes, his strong hands roaming my body. He was too brilliant, too sexy, too demanding. He was the reason I transferred to Noland, the reason I wanted to be a writer. And now he's the reason I'm about to lose everything. He kisses me again and this time his tongue pushes past my lips, parting them. My body responds to his, and I'm suddenly pliant in his arms, his tongue tangling with mine as his hands move to my hair. He pulls back and looks at me, not asking permission but giving a half smile, like he knows he's going to get what he wants. And then he's kissing me again, our kiss becoming deeper and more passionate, my head spinning with the intensity of it. His hand travels across my back, and around my ribcage. When I feel his fingertips brush across the front of my sweater, I have to fight to hold in the way I want to react. "I can't do this," I say. "I'm not." "I mean, I don't," he says. "You can do anything," he whispers. "Anything you want." He kisses my neck. His lips are warm and I shiver. "Sometimes it feels good to be bad, Addison."

Customer Reviews

Dirty Professor is a short, sexy story that ends at 45% on my Kindle. This purchase also includes Panty Dropper, another short story by this author. I have not read the second story. Addison is a beautiful college student with a major crush on Chase Brooks, a handsome, successful publisher who will be teaching a class at her college. The attraction between Addison and Chase is instant and they waste NO time getting to know one another. Addison's innocence is quickly forgotten and Chase struggles with not developing feelings for her. I liked Addison's character well enough, although I thought she lacked back bone, both with Chase and her parents. I also liked Chase's character; however I felt he took advantage a little of the situation and pushed too quickly. It was all fast wam bam, mix up, short pitiful apology and panties flying. I would have had Chase on his knees groveling. But you get the happy ending so all was good.

I genuinely liked this book, it was fun and flirty and made me laugh sometimes and of course it had amazing sexy scenes in it. I liked Chase's character a lot, he had some different dynamics to offer at times and you couldn't help but swoon over him. I liked Addison as well, she's your sweet super innocent girl who just dives in head first once she gets a taste of her super hot professor, and who could blame her really? It's all very fast paced, they are immediately trying not to claw each other clothes off at all hours of the day and there is so much sex (not even mad, just saying) This book is graced with a second book of the authors, called Panty Dropper, so Dirty Professor only goes to about a little less than 50%. My only concern with this book is that it spent so much time on the first part of their relationship, but when it got to the real issues at hand in the book, i.e. Addison's super controlling parents, the taboo of a professor sleeping with a student, how they got caught, the breakup/apology, just everything that seemed so important got like the last 10% of the book. And I felt like I needed more from the ending. But, it is a good read, it was fast and lighthearted most of the time and had some good sexy times in it. I also read Panty Dropper and liked it so I'm glad I bought it and will probably read more from the author to see what else she's got to offer.

Dirty Professor is very very sexy and intense and so powerful that I'm going to reread this book again, because I knew I was going to over this book. I so love teachers and students romance it so

hot to me. This is the first time I read Paige North book and I hope it not the last. I can't wait to see what Paige North has next for us as readers. I would love to give this book more than just five stars, so I'll just give it more ~ ~ ~ ~ ~ ~ ~ ~ ~ instead hehe. I'm so bad and I love it

FYI ends at 45% and includes the entire book "Panty Dropper" so both books are short books anyway, I enjoyed Dirty Professor. It was a fun, quick read with some hot scenes. Nothing spectacular, but it was enjoyable nonetheless. My problem was with the ending, it was super rushed and sloppy.

I received this book as an ARC for an honest review. I wish my college had a hot professor like Chase. He is HOT, RICH, and an awesome writer. Addison has a crush on her teacher before she ever meets him. I don't think Chase knows what hits him when he meets Addison. He definitely can't STOP wanting her. Seeing her in his class, telling her to come to his house, and ordering her around the bedroom. She was a virgin when they met and he takes control, which she loves. It's holding your breath for when the blow up is going to happen because you know someone is going to get caught! The ending is great, not what you expect.

3 1/2 or 4 I don't know. I am torn... I really liked it then wham!!!! everything was solved in one chapter. It could have been so much deeper. Every issue that they could have was skated over like no big deal. I wanted to know why Luna did what she did and what were her ramifications. The whole parent thing was like over in part of a chapter. Chase's fallout the same over like a snap of my fingers. Addison just fell into things and her writing when from just ok to fantastic in like 5 chapters. She really didn't have to work hard. The whole thing was like kinda too good to be true. Chase is hot but very selfish. He calls she comes.. literally. He was a huge user at first. Didn't really like him that much. Addison forgave him so easily too. YUK should have made him sweat it out she had everything going for her and she should have focused on herself. Oh well... It was HOT don't get me wrong that part was good, but it could have been so much more. I am a tad disappointed. It needed something... more I guess.

First time reading this author. All I want to say it was extremely Hot and Steamy!!!! Omg!! Loved it so much!! It includes another story and let me tell you that you won't be disappointed at all. It was so good that it made me cry a little. It's a must read trust me...

I received this book as a free ARC for my honest opinion. Dirty Professor is telling of Chase, a well known author and visiting professor at the college that Addison attends. She is a big fan of his books and signs up for his class. At first she is turned away but Chase is intrigued by her and cannot resist her. What begins as a hot dirty professor and student affair turns into something more. Just as they hit their stride in this relationship crap happens and there is fallout. Overall, I really enjoyed this book. It was hot and Chase had a bit of dirtiness in him that I enjoyed. On the other hand, I thought that Chase was a bit cold at times and I felt that Addison was a bit annoying in her behavior at first. Neither opinion lasted long and in the long run I really enjoyed it. I would recommend the book and hope you enjoy it.
