Stepdaddy Savage

Synopsis

Stepdaddy Savage is a smutty Taboo novella featuring an over-the-top alpha. Read at your own risk. You do not say no to Graham Savage, because Graham Savage doesn't ask. Just like his name suggests, he takes, and right now, he believes in his. He is a cold, calculated, ruthless, formidable Irish mobster, and... my step-dad. Regardless of the fact that it's nothing more than a business transaction, he's technically married to my mom. Even still, I find myself scared to be caught, yet even more terrified of being cut loose. They say love is like a butterfly, well, we are about to prove to the world that it's also like a punch in the face. Sometimes inevitable and always painful.

Customer Reviews

I would love to tell you that this book didn't turn me on from the first page... that I wasn't breathing heavier by chapter two... that I didn't wake up my hubby at 3am somewhere around chapter 5 or that I rolled over and went back to sleep right after and didn't stay up until 5am devouring the rest of this but that's just not the case. I loved it! Cover to cover, taboo or not this book just totally and completely did it for me. It was naughty forbidden love at its finest, and it was everything I wanted it to be... everything I needed it to be. Charleigh Rose somehow managed to create several totally amazing characters that I was able to fall head over heels for... in between panty changes of

course. ;)One-Click this one you guys! You'll love it... unless you're my step-dad, then for the love of God, do not read this book!

HOLY HELL!!! If you're into taboo reads, or NOT, you need this book in your life! This was one hot novella that packed a punch straight to my 'gina! Yes. Freaking. Please. The story line was intriguing and kept me entertained. It was sexy, fun and very well written! The one liners were freaking hilarious. I'm in LOVE with daddy. Jesus, I can't believe I just said that. I mean, I seriously wanted to be ravaged by Graham. He is one sexy MOFO. But, beneath all the alpha is so much more. Graham is one hell of a good guy with a big heart. I loved this story!! I cannot wait to read more from Charleigh Rose! Stepdaddy Savage is a quick, melt-your-panties love story that will have you moaning "Yes, daddy. More please." Don't miss out on this one!

3 Stars GoodOK, I was dying to read this as I have been on a taboo reading streak and as much as I liked it, I just didn't love it either. Maybe if it had been longer I could have been able to invest myself fully, I felt it was all too rushed for me to connect, invest and truly love the story. The characters for me were just "ok" nothing special. I liked Graham a lot but I just felt like his character was missing something for me. Dahlia, hmmm, she was perplexing to me, lol. I liked her but yet her character was also on the "immature" side, too. I know, I know, she technically WAS immature lol, as she was only just turning 18 BUT I just wasn't completely onboard with her character either if that makes sense and maybe because I found her somewhat lacking maturity maybe that's why I wasn't 100% invested. By the end though, I did grow to like her a lot more:) Again, liked this book but it wasn't a wowza for me either. Will I read the next book about Jade, oh HECK YES, lol..... I am actually looking forward to it.

4 Dolly starsOk, so firstly it took me a bit to absorb this, not only was Graham Dahlia's step dad but when they did get together she called him daddy, that kind of reminds you constantly it's a taboo and a no no. Dahlia's mother married Graham the Irish mobster and it is nothing more than a marriage of convenience, he saw Dalia being dragged to strip joints and running her mother's errands and wanted to save Dahlia. What started off as Graham being protective of a little girl changed in feelings over time. That part of the plot I could get my head around but the daddy thing, no just no, although Dahlia did say it mostly in humor there was some hot moments where it was also used. Graham is an alpha male, a no nonsense or a please and thank you kind of man, he just takes what he wants, he's the lord of the manor and everyone knows it. Dahlia is an 18 year old girl

who quickly became a woman once Graham staked his claim, basically the day she turns 18. I loved the writing style it flowed easily and I would definitely read more from this author with the extended characters from this plot. Stepdaddy Savage had hot and humorous moments, it's a quick read and enjoyable.

5 oh lord, Graham, please be my stepdaddy stars! I loved this naughty, taboo, debut by Charleigh Rose. It was everything a steamy, forbidden tale should be and I devoured every word. Obviously, going in, you know by the title, that this is going to be a sexy twisted love affair. But don't let that stop you from one clicking it. This quick, erotic read was well written. It had a great build up. And I loved the character chemistry between Graham and Dahlia. Graham is 17 year old Dahlia's sex on a stick step-daddy. They both find the other to be attractive and both do their best to stay clear of the other. Until one night when Dahlia and her best friend, Jade, sneak into one of Graham's clubs. It's at that point that things really heat up, between Dolly and Stepdaddy Savage. Aside from hot, this book was also funny. I legit loved Dahlia and her spit fire attitude. She and Jade were hilarious together and I loved their BFF vibes. Really hoping that Charleigh Rose writes books for the supporting characters because I loved them all. Ox

Hot Hot Hot!!! I loved reading Stepdaddy Savage!! Once I started reading I just couldn't put it down. The book is that GOOD!! I love how Graham waited for her and once she was 18 yo he just followed his heart and got his girl. Not caring what people will say about them. Perfect story if I could put more stars I would I just can't express what I want to say about the book but it's perfect and great! I recommend this book 100%! It won't disappoint you. Can't wait for the next book
