Maiden's Wolf (In Deception's Shadow Book 3)

Synopsis

When unforeseen circumstances force natural enemies to become allies, something far more enduring than animosity is born—friendship. Beatrice, a young healer living on the outskirts of the human port settlement of River's Divide, simply wishes to hide herself from the searching eyes of the Priesthood of the Revealing Light. The last thing she wants revealed is that she is host to a Larnkin—a spirit creature of vast and forbidden magic. Her already complicated life grows more perilous when a lupwyn scout stumbles into a trap set by the priesthood. If she sits back and does nothing, the wolf-like shapeshifter will be drained dry by the priests until he is an empty, soulless slave. As a healer, that isn't something she will allow. But lupwyns have no love for the newly arrived humans. For the sake of mutual survival, Beatrice hopes this lupwyn can see beyond the hatred caused by two warring peoples. If not, she might die at the hands of the male she is trying to save.

Author's Note: Maiden's Wolf is a complete standalone story and can be read on its own. However, I would suggest reading the series in order for maximum enjoyment.

I really enjoyed Maiden's Wolf. The Lupwyn trapper Silverblade has been scouting around the human settlement and has concluded that the humans themselves are not really a threat to the wolf-like nomads, but Master Tensler and his acolytes who consume magic most definitely are dangerous. He's in the process of returning with his pack mates when disaster strikes and they're caught in a deadly trap. Only with the help of the healer Beatrice is he able to survive and they're faced with a long journey home to his pack.... while being tracked by the acolytes. This is book 3 in the series "In Deception's Shadow" and you should absolutely read the first two books before reading this one or it will make no sense. The story moves along with many challenges for the pair to overcome, and multiple confrontations with the enemy. Though not quite as intense as the earlier two books, the larger story of the Twelve and the great evil they must overcome to prevent the destruction and enslavement of their world continues. I can hardly wait for the next book! Spelling & Grammar are clean enough to keep my inner grammarian very happy. Ms. Blackwood's writing is a delight to enjoy!

Beatrice, a young healer living on the outskirts of the human port settlement of Riverâ€™s Divide, simply wishes to hide herself from the searching eyes of the Priesthood of the Revealing Light. The last thing she wants â€˜revealedâ€™ is that she is host to a Larnkinâ€™ a spirit creature of vast and forbidden magic. Her already complicated life grows more perilous when a lupwyn scout stumbles into a trap set by the priesthood. If she sits back and does nothing, the wolf-like shapeshifter will be drained dry by the priests until he is an empty, soulless slave. As a healer, that isnâ€™t something she will allow. If not, she might die at the hands of the male she is trying to save. Maidenâ€™s Wolf is a complete standalone story and can be read on its own. That's the blurb. I really liked Maiden's Wolf and recommend it. Thank you Lisa Blackwood.

This series has been one of my all time favorites that I started on and it will be great to reread when it's all over and I will probably read more than twice. Biggest fan!!!!

I so have enjoyed this book as well as the preceding books in this series. I hope I won't have to wait too long for the next one. Thank you for hours of pleasure.

This story will grab you and keep you as it carries you away to many adventures, battles, loves and

alliances. Complex and lovable characters (except for the bad guys).
