Customer Reviews

They are BIG! BAD! SEXY! and STRONG! And they are ever what you need! Terry has done it again! A bundle of SUPER Bears and the wonderful women that change their lives! A Fantastic Author! Bear #1 - She was everything heâ™d ever dreamed of. ZEUS, !! WOW! Just...WOW! I cannot believe how intensely hot & sexy this story is while being funny, super romantic and

ever-so-sweet at the same time!! - Terry, you have truly outdone yourself this story of Zeus & Carly's! This is a FANTASTIC story with great characters, the perfect shifter love story that had me from the cover. I immediately felt like I knew Carly, but definitely someone I wish I was more like in fact. Well, except for the bad luck growing up part, but considering where it led her... (I cannot wait to read how Ares find his Mate and I really want to know Hades too!) I always love to see the big tough Alpha go all mushy for his mate. It adds another layer to the story and to the character as well, makes it more real. Of course, you do not ever want to become between a bear and his mate, but you would be crazy to come between a bear shifter named Zeus and his mate!! â œNow theyâ™d have to deal with the big, bad bear!â • I LOVED the fact that there was a lot more shifter in it too! I think that is my favorite part about shifters - the relationship that the human has with the animal. Well, actually that is my SECOND most favorite feature of shifters, the first is the whole mate thing! I love that whole concept of the one person that fate, destiny, the gods, etc. has picked for you and has been made especially just. for. you. And you. for. them. Zeus would be that one for me. He is just so perfect, so soft, so hard, so sweet, so grizzly. Terry has once again caught & held both my attention & my heart!

Big Bad Bear Sweet and sexy! Carly is a waitress and down on her luck. Her last boyfriend dumped her there with a mountain of debt that she is determined to pay off. Her life is endangered when she hears a conversation between the local gang members and is found out. Zeus is an ex-military bear shifter who lives by himself in the woods that surround the town. He is in the bar when all hell breaks loose, he rescues Carly and takes her to his home where he can protect her. This was a more sweet romance and not full of as much drama and I really loved the fact that Zeus's friends took on Greek god code names to match his. Big Sexy Bear Hot, sexy and action packed!!! Ares is an ex-special forces weapons expert and a bear shifter, he comes across a woman and a little boy broke down on the side of the road in the rain one night and offers to assist them. Kat is on the run and has been burned by people who said they were there to help in the past and is very reluctant to trust the very handsome hulking giant. She has no other choice but to take Ares up on his offer to drive them into town and find them a place to crash for the night. Ares knows right away Kat is his mate, he also guesses she's on the run from something and is determined to not only protect her and Mac but to convince them to stay with him forever. Meeting Ares in the previous book, he was the lighthearted, irreverent, jokester of the group, but in this book he took on a whole other dimension and we saw that persona he shows everyone hides something a bit darker. I really enjoyed the depth that was given to Ares and how he deals with his past and doesn't let it affect his

future. I loved Ares story!!! Keep them coming!!Big Strong BearHoly wow!
