## Customer Reviews

I adored this Story, I first read it as part of Ever My Love Anthology now it is available on it's own as are the other stories, I have both. Rianna Coultier in search of her Father her past is some what vague, the one person who she was connected to was Aiden Macgullane. Though they have been apart for many years she would never forget him, Due to circumstance's their paths cross again, Together they embark on a journey to find the secrets from her past. A wonderful heartfelt story of pain & sorrow Love & enlightenment treasures passed down through Generations. Miss Suzan

Tisdale is one of my favorite authors I would read her books over & over they are keepers every single one of them.
