I actually wondered why no books were coming. I had actually forgotten what this series was, so when it started with "where was I?" I was wondering the same thing. And when he said "oh yes, being chased by the giant slime" I thought "oh... I remember". This book was great like always, your author name was proven an outright lie like always (XD), and Steve made a good few real stupid decisions like always (he's a noob, can't be that hard on him)-SPOILER ALERT--SPOILER ALERT--I SAID SPOILER ALERT-at the end, when the witch said "Cindy was my niece, jerk!" I thought "ooh nooo..." basically this is gonna get real interesting, and I want part 5! Keep writing books :)
