Heart of a Dragon picks up a few days after the end of book 1 (Kiss of a Dragon) with Arabella stubbornly digging her feet in to show Lucian how much she loves him and is willing to sacrifice to help heal his broken soul. Lucian loves Arabella deeply; so much so heâ™s willing to forget the terms of the treaty and say to hell with keeping the world safe in order to ensure Arabellaâ™s safety. But in doing so, Lucian is also losing himself to his wyvern, and makes some chilling decisions about it. Iâ™m digging this series the more I read it. Iâ™m still not 100% sold on Lucianâ™s character. Yes, heâ™s in a horrible situation â€” having to possibly face losing someone he loves a second time in order to fulfill his duty. But the way he handles his emotions is very troubling. Warning â€” spoilery comments ahead!!! At one point, Lucian basically goes to find other women to fulfill his duties so that he doesnâ™t have to sacrifice Arabella, and the cheating (yes, letâ™s call it what it was) had me feeling all sorts of icky. Not to mention his later tactics to get out of the sealing (the tomb and the vampires). He is a good and noble person/dragon, but when he makes decisions like thatâ€¦ Iâ™ll just say that as a reader, I am constantly overcoming his issues with him, but gradually am able to find him more likable. Now Arabella â€” Iâ™m so Team Arabella! She is loyal, fierce and intelligent! Each time another character tries to test her (Leonidas) or deceive her (Zephan), she shows her integrity and character and comes out on top each time. She loves and believes in Lucian so much, and it was about dang time when Lucian allowed himself to really receive the treasure that is Arabella. I loved how this book ended, but I know things will definitely come to a head in book 3. Anxiety, action, and hot steamy sexy times are forthcoming! Copy received from author in exchange for an honest review.

In Heart of a Dragon the second book in the Fallen Immortals Series, Arabella is tested by the evil Fae and strengthens her true love for Lucian. Lucian is determined to fight his growing love and obsession for Arabella to protect her from the dangers of death from the sealing with his dragon and the birth of his dragonling. No matter what he tries he can't resist her and after facing how brave she is and how true her feelings are for him, he has to decide he can't resist her and he seals her as his true love. Half of his obligation to his heritage has been met and in the next book the rest of the story of Arabella and Lucian, the Prince of the House of Smoke will be written. Heart of a Dragon was exciting, adventurous, full of magic and mystery. All of the supporting characters helped make

the story move along quickly and add lots of background to the story of the Fae and the Dragons from olden times.

OMG. OMG. OMG. My heart was racing with this book. I was in tears in parts of this book. Yes, this is a continuation of the book. Zepf so needs his ass kicked (a lot). It was cool to find out about the vampires. Meeting his parts coo too. But this man was so broken but his love for her was not only was tearing her heart apart, but mine too. Again, Alisa's writing was so well done. But never did I think other characters in book one and two would break up the heavy and bring a bit of humor to the book. Arabella also holds a secret. Will she tell Lucian in book 3 about his former Mate? That all the guilt really wasn't his fault? Will he start a war over it or will the Winter Court take care of Zepf? Will Rachel and Cinaed get their own book? or the rest of his brothers (wink, wink). And again, can't wait for book 3. Oh, yes there is more sex written in this book because of the matting. HOT matting :)

Well to finally find that one strong enough to survive and fight for what they want is amazing. The author adds myth to the story so that you must ask yourself questions about could that be true, and make you wonder more if there are true shifters out there that we don't know about. Lucian & Arabella's story is so touching, that it makes you cheer, get mad, want to cry, and then you go OMG did it really work & will they be ok? Well to find out these answers you will have to read the story. Lucian has been the hardest on himself for so long, that when Arabella takes a stand and fights for him, it puts him in awe of her. But his fears push him to just want to let it go, but she will not let him. When he sees the strength she has he gives in and goes all the way to try and fulfill the destiny set for him. Must read, and it's free with KU.

Alisa Woods has done it again with book 2 of The Fallen Immortals series. The story is well written shifter romance. Arabella is in love with Lucian. Is it the true love needed to survive mating with House of Smoke dragon Lucian? Will Lucian get over his fear of possibly killing Arabella during the mating? He loves her, but will it be enough? Ms. Woods writes great shifter romances. Included in her series are a large cast of characters. Looking forward to book 3 and the continuing story of Arabella and Lucian. Look for the free book offer at the end of the book.

Second book in the Fallen Immortals™ series and it is getting to be hard to put this series down. Lucian a Dragon Prince of the House of Smoke is dying he has to spawn a dragonling to keep the mortal world safe from the Dark Fae but he will not do so as the woman dies giving birth and he will

not watch another woman he loves die. Can Arabella help him see he is wrong or will the secret she hides destroy their bond? Book ends in a cliff-hanger can not wait for book three.
