Customer Reviews

Oh how I love Charis Michaels and her The Bachelor Lords of London Series. I fell in love with this series when I read The Earl Next Door and was so delighted when asked to read and review this book, now the second in the series. It is the absolute breathtaking, on the edge of your seat, deeply

passionate and sweetly romantic read of the year! A high 5 Stars for The Virgin and the Viscount! Charis Michaels weaves a tale of such love and passion and these two lovers must fight for that love, it's not an easy fall in love, end of story fairy tale. Oh no, a deep love that evolves over time and is filled with so many challenges and adventures. Both the Hero and Heroine have had such hard lives and such tragic events greatly impacted their futures and their ability to trust and give of their whole hearts. One such event occurred to them at the same time, Lady Elizabeth was abducted after a carriage accident where her parents were killed right before her very eyes. As if that wasn't horrific enough, she was whisked away to a brothel and was eyed by the Viscount Rainsleigh as his tasty morsel for the evening. However, another whore saved her and instead gave her to the very green and sadly; very trapped son of the viscount, Bryson. He had been snatched up by his father to learn the ways of being a man and taken to a very filthy brothel. Only to his surprise, he finds a very scared young girl awaiting him. Neither wanted to be there, so they both escaped and he got her safely back to her aunt's home. She was truly grateful to him and merely thought him just a memory until years later, he turns up at her aunt's home as the new Viscount of Rainsleigh.
