Polo In The United States: A History
Though polo is commonly associated with Britain and South America, the sport also enjoys a strong following in the United States. This comprehensive history describes the evolution of polo in the U.S., from its beginnings in a New York City riding academy in 1876 to the 2010 Open Championship held in Florida. The principal early players and the first polo clubs are covered, as is American participation in the Olympics, polo at universities and colleges, women’s polo, indoor polo, and polo in the military. Additionally, chapters also examine polo in the arts and in literature.

Book Information

Hardcover: 416 pages

Shipping Weight: 2 pounds (View shipping rates and policies)
Average Customer Review: 4.0 out of 5 stars  (2 customer reviews)
Best Sellers Rank: #1,129,207 in Books (See Top 100 in Books) #19 in Books > Sports & Outdoors > Individual Sports > Horses > Polo

Customer Reviews

Though unfamiliar with the sport of polo as well as its history in America, I found this history to be unexpectedly intriguing. This novel made a "lofty" sport understandable to a novice such as myself, by listing the main events of the formation of the first polo team, explaining the politics behind the game, the organization that governs the sport, and it also illustrates the importance of polo in art and literature. This book was an encyclopedic history of polo and would make a wonderful reference to anyones library.

In case you were wondering about Polo in the US, this is the place. Horace Laffaye, a player himself, is the expert.
