## Customer Reviews

Charlene has done it again... the demon chaser series where extremely entertaining. I never found myself getting bored with the characters story line. I'm very pleased. If you don't have these books already you're seriously missing out.

Charlene Hartnady has written a fantastic series of novels about demon chasers, demon hounds, hybrids and humans and other paranormal creatures. These three stories gives us a look at the dark side with hot romantic moments, claiming mates and true love. Because what we thought didn't exist really does. I rated these novels 5 stars and would recommend the Demon Chaser Series to all mature readers who love the paranormal. Enjoy!

This was an entertaining way to pass some time. Box sets allow us the continuation so easily and it was just what was needed to fill in some hours. I have only given it a three star because there isn't much there to connect with but there is lots of sex and in-love couples and sometimes I think this is more than enough to pass the time. The series is also reasonably well-written and worth following up. Very easy reading!

This box set consists of three quick read stories/books. The stories were just okay for me. At times it seems there wasn't enough for me to connect with the characters. Everything happens very quickly in each book. Even though this series wasn't my favorite, I have enjoyed many of her other

series/books and will continue to read more from this author.

I loved the whole set of stories. My fav had to be the first one. It was filled with suspense, mystery, action, adventure, and pure hot.steamy.sex!!!! One of my fab books that isn't vampire related. I love the whole demon chaser agency idea. It is fresh and new. Cant wait to read skin.

I LOVED IT! AWESOME SERIES!!! HAS MYSTERY , ROMANCE, ACTION. HOPE THERE WILL BE MORE TO COME REALLY ENJOYED IT

Interesting story and good characters make this set worth your time and money. I enjoyed them, but would have like a little if I could have related to the characters a little more and slightly less drama and conflict. Overall though I did enjoy all three of the books.

Demon Chaser Series: Tall. Dark. Deadly. Sizzling paranormal stories filled to the brim with hot alpha males and the strong, feisty women that manage to tame them. Demon Chasersâ |Protectors of humanity. Sworn to uphold the peace. Oath bound to keep the existence of demons a secret. There is a lot more to the world of demons than most people realize, and this series manages to build the demonâ ™s terrific world without ever taking away from the story. And these stories are so HOT. As an avid reader of paranormal romance and erotic romance, sometimes I will become worn-out with the sex and/or relationships in the stories. This series is not one of those books and was well put together. The Demon series had great sex, lovable characters and true story substance. If you are like me, and are sometimes apprehensive about buying a new series, even when they are cheap, because you don't want to waste your time with a story that can't touch you on some level, take a chance with Charlene Hartnadyâ ™s Demon Series. Hopefully, you will enjoy this series as I did. Reading order as follow:Book 1 OMEGA (Cole and Katy)Book 2 ALPHA (Gray and Ashlyn)Book 3 HYBRID (Brice and Garrett)Book 4 SKIN (Gaby and Phoenix)
