The Heart Of Anger: Practical Help For The Prevention And Cure Of Anger In Children

Synopsis

Anger! Is it ever a problem in your home? Do your children ever speak to you in angry, disrespectful tones? Do they ever fight between themselves? Have you ever lost your patience and composure when dealing with an infuriating situation in the home? Well, if you honestly answered "yes" to any of these questions, you need this book. Christian families, especially those in which the children are home for most of the day, experience episodes of frustration and anger. This new book deals with anger's root causes, offering corrective advice from a biblical perspective. Pastor and radio-teacher John MacArthur, Jr. has said, "This book goes beyond the external manifestations of anger and deals with the internal source—the thoughts and intents of the heart. I know of no other book that addresses this problem with such practical and applicable biblical wisdom." "Lou has written an extremely readable and practical book about a problem frequently encountered by too rarely addressed. There is nothing else like it. Counselors will want their own copy as well as others to give away. Pastors will put it in their libraries and church bookstores. Parents will devour it. Christian children will benefit from it; and the Church in general will be in Lou's debt for writing it. It is a book whose time has come." — Jay Adams, Author, Radio-Teacher, Co-Founder of The National Association of Nouthetic Counseling.

Customer Reviews

As a Christian school Principal I have recommended this book to many parents and teachers. Priolo does an excellent job of providing biblical tools to reach the heart of the angry child and guide parents in changing the attitudes, ideas, and errors that lead to the angry heart.

Great book for parenting!
