AVERY (The Corbin Brothers Book 2)

Synopsis

Avery This beautiful heiress just might be the only way to save my ranchâ |but at what cost? Good God, Paisley Summers could not have picked a worse time to hit on me. The gorgeous annoyance decides to come on to me while Iâ™m drowning my sorrows at the only bar in town, mourning the impending foreclosure of my familyâ™s ranch. I actually donâ™t care about the ranch itself â “ but I do care about my brothers, and itâ™s their whole world. To be fair to her, thereâ™s no way she could have known my problems when she approached me. But to be fair to me, this definitely isnâ™t the first time Iâ™ve had to resist her charms. Iâ™ve been dodging her advances for twelve years at least, but the woman cannot take a hint! Most of the men in this godawful little prison of a town probably think Iâ™m insane â “ Paisley is drop dead gorgeous, with a killer body, a refined manner, and enough of her daddyâ™s money to buy the whole place up. But maybe thatâ™s the problem. Maybe sheâ™s just too perfect for the likes of me. Paisley Heâ™s so much more than a rugged rancher â “ I just have to help him be the man I see inside. Avery Corbin is simply the most frustrating man. Heâ™s sexy as hell, toned and tanned from ranch work, but he just wonâ™t take yes for an answer. Iâ™ve practically had to throw myself at him since high school! Sure, I could probably have any guy in townâ |but I want him. I want the man who always chooses the hard road, who does the right thing, who dreams of a better life. The only problem with dreamers is, they tend to miss whatâ™s right in front of them. Well, not anymore. Avery is going to see me now â “ and he wonâ™t be able to resist me this time.*** Hunter can be read as a standalone book. For a limited time only, my first series: RUNAWAY is included as a bonus.

Customer Reviews

Avery is a bit of an ass but he comes around. Paisley is a gem. The file size is huge but the story comprises 14% of the download, the remainder are other stories from the author which I did not read.

This is the second book of the Corbin brothers. I wanted to read this book to see what happened with Hunter and Hadley. I figured they they would be incorporated into the story. Not much was said about them just raised more questions. As far as Avery and Paisley I could not get invested in these characters. For most of the book neither of the characters had too many redeeming qualities. And for someone who hated ranch life as much as he did to enter into the contract was just stupid. Yes he was saving the ranch but at what cost. Plus I don't enjoy reading about s--t faced sex or angry sex and that's all they had. If it wasn't for the very ending where both redeemed themselves and you finally understand what motivated Paisley that saved the story otherwise I would be rating this lower. Also please note this is a short story it ends at 13%. The author has included other of her stories including Stronger I couldn't stomach this story only got into a third of the book before I stopped. There should be a trigger warning for people. There were some pretty graphic child abuse/molestation scenes . Since there is no explanation of any of the extra stories I would look online first to see what the story is about before wasting your time.

Avery and his brothers are losing the ranch and Paisley comes up with a proposal to help them out.. AVE rd so cocky and sure and Paisley SASSY and just as goods as any cowboy..they chemistry between these two and heartache they go through to find the true meaning of love is a roller coaster!!

I enjoyed the continuing story of ranch life in Texas, and the complexities with the different lives of the brothers and their relationships. I do take exception to the decision of the covers as the descriptions of all the brothers clearly states them as different shades of BLOND and while the covers are very attractive men they are all obviously dark haired. All in all it is fun to read about a lifestyle I have never lived but dreamt of.
