Bulls, cowboys and love!!! The collection of books keeps you on your toes... I loved how each story pulled at your heart.. These men are used to being at the rodeo.. used to that 8 second ride... and when that is whisked away it leaves them feeling helpless.. the beautiful ladies of these stories are the true heroines... Healing the broken egos of these cowboys and showing them what love and life are really about... The authors delivered great stories and amazing characters... take a seat and enjoy this read!
