# Tales From The Atlanta Braves Dugout: A Collection Of The Greatest Braves Stories Ever Told (Tales From The Team)

## Synopsis

The newest addition to the Tales from the Team series, Tales from the Atlanta Braves Dugout includes stories on the greatest players and coaches to don the Braves uniform. Author Cory McCartney includes stories about Hank Aaron, Dale Murphy, Phil Niekro, Chipper Jones, Andruw Jones, Greg Maddux, Tom Glavine, John Smoltz, Bobby Cox, and so many others. Recall the harrowing experience of Atlanta's Fulton County Stadium catching fire on July 21, 1993, overshadowing the debut of Fred McGriff, and read all about Sid Bream's slide and the worst-to-first season of 1991. From the run of 14 consecutive division titles and the 1995 World Series title, to Kent Mercker's 1994 no-hitter; from the arrival of the Baby Braves in Brian McCann, Jeff Francoeur, and others, to the 2014 Hall of Fame induction of Tom Glavine, Greg Maddux, and Bobby Cox, the on and off the field stories are all here. This is the perfect addition to a Braves fan's shelf! ## Customer Reviews

The stories and insights into my favorite team and players is quite enjoyable in this book. With the current state of rebuilding with the Braves, remembering better times is a welcomed escape. I want to give the book five stars for the nostalgia factor alone, but the poor editing and fact checking keep me from being able to do so. Three such examples off the top of my head are as follows:1. The Braves lose in 6 games to the Blue Jays in the 1992 World Series, not 4 as the book states.2. Terry Pendleton is not the first \$100 million man in baseball. The book states that he signed a 4 year, \$102.5 million contract with Atlanta, but we all know that number is a bit high.3. The 2005 Baby Braves lost to the Astros in 4 games in the NLDS, not 4 games to 1 (impossible in the NLDS). These three issues are the three most glaring, and are more than likely the result of Mr. McCartney hustling to complete the book while also working and spending time for his family. A fresh set of eyes and editing would have eliminated these issues. The book is still worth reading, especially if you are an avid Braves fan.

I am a fan of baseball and not a fan of Braves. But this book captures a time in my youth when baseball was starting to build up as an important part of my life and whether I like it or not the Atlanta Braves were a part of it. The book takes me down memory lane and I recommend anyone that wants to relive that time in baseball history to give this book a look.

Very good summertime read. Interesting stories about all the Braves during the 14 year run of division titles, playoffs and WS victory. I followed the team during this time but still found many untold stories of Glavine, Maddux, Smoltz, Cox etc. Enjoyable book!

Every team has a book like this dedicated to them, growing up watching the Braves on WTBS every night, I feel as if I know these guys personally. A must for Braves fans.

Great book about our fantastic Braves. It reflects over the 14 year streak and all the great players we had
