Bestselling Arrangement Series
Everything has come to this one moment, this one night. The plan is ready to be executed. The sexy, dark billionaire Sean Ferro is at my side and in my bed. As the erotic tension between us deepens, I see the man he could be – the man he’s becoming. Sean has me in every possible way and swears to protect me from my enemies. But there’s one thing he can’t save, one thing that’s fracturing inside of me and falling apart. My heart is dying in my chest as my demons plague me without warning. The darkness is vanishing from Sean’s eyes and reappearing in mine. The monster within is feeding, ready to rear its head as I wait in horror, disgusted with the woman I’m becoming. If I go through with this, if I cause the deaths of these people, there will be nothing left of me. But if I don’t fight back, I die. I don’t want to fight anymore, but there’s a tiny reason urging me on, a secret I’ve known for a while giving me strength to see this through.

Customer Reviews

Oh the story continues to unfold! It is coming to an end, and as a dedicated Sean and Avery fan, I am getting anxious for the story to finish. There is one character I am disappointed in, but knowing H.M. Ward she either has her reasons or its to work in Sean and Avery's favor. I do wish we saw more of Gabe! As the story comes to an end, I appreciate the careful care H.M. Ward has taken with this story. This is the series that introduced me to this particular author, and she has not disappointed me yet. It's a story that I cou read over and over. Congratulations on her 100th book! Cheers to you, H.W. Ward!!

I ate these words off this page so fast. It is absolutely thrilling and suspenseful. I can only HOPE that there is a happy ending because right now it looks bad. Holly thank you so much for such a great ride with this series. Truly Talented.

What a shock. If you have read the rest of the book you are in for a surprise wow. If you have not this series is a must read with all the excitement that will keep you on the edge of your seat. Sean is so dark but yet you fall in love with him from day one, Avery is all messed up but her love for Sean is true now put them together with what they have in their life his family rich I mean crazy rich and Avery both parents gone and the secrets that come out about her mother and father that is not her father. Life as they know it is going to change and will they survive or die trying. A must read series if you like action, love and excitement all around.

H M Ward has out done herself again. Sean and Avery have such a great love for each other. Avery has a wonderful surprise for Sean. They just have to have a happy ever after ending. Mel and Henry just have to get together in the end. Vic Jr and Miss Black need to get theirs. I can't wait for the final book. I will miss Sean and Avery.

This is the best installment ever! I was so engrossed in the story that I wanted to cry when it ended. Ward has a tremendous gift with the detailing of these characters and their surroundings. Avery continues to struggle with the thoughts of turning over to the "dark side" while trying to figure out how to end this mess with Vic and Black. Along with the aid of Mel, some techs, Sean and Harry, Avery will fight to keep the family she has found. May the surprises keep you just as entangled as I was.

Once again we are drawn to the intense, unpredictable life of Avery Stanz and Sean Ferro. It is a wild twisted ride and keeps you guessing as well as wondering how the hell will this play out! I've LOVED this series from the beginning. It has been an amazing journey and reading experience that is like no other. What Holly has done with these characters is transform them and the story into something unique. You can't help but cheer for Avery and Sean. The transformation of Sean's character is something that surprised me. I didn't think he would allow himself to share his feelings with Avery! I always knew Avery would have to harden up but her essence has remained the same. I can't wait to read how this ends. I just hope that Mel, Sean, Avery, Henry and even Constance are ok. You have to binge read this series! It is unique, sexy, crazy and keeps you guessing. Five stars as always for

H.M. Ward and the amazing characters she creates.

Holy cow things get intense in this installment! Sean is the man I love in this book and his love for Avery is endless. He has a plan to take down Vic Jr. and Black and Avery has a plan of her own. This book has many shocking twists and turns and once again betrayal is eminent. This book is also filled with all the passion and humor you come to expect from HM Ward, not to mention an epic cliffhanger leading up to the final book in the series. I am most definitely going to be on the edge of my seat waiting on the final installment, The Arrangement 23. This book was a five star read for me!!

Holly knows how to make you feel part of the character's world. It is like watching a movie! I love the Ferro Family! Each one has a unique story! Sean and Avery's story keeps you coming back! You can't walk away! I read slowly because I didn't want it to end. I want to keep being part of their family and see what happens next.
