Hell is knowing that I might lose him.After I spent years loving him from a distance, the president of the Hellfire Riders MC is finally mine. Every day he's at my side; every night he's in my bed. It would be everything I'd ever wanted, except my dad is sick, and trouble is brewing now that Saxon's club is taking over my father's. Because bad blood between the two MCs still lingers, and an old rule requiring Saxon to share me with the other club members is being used as a weapon, forcing him to choose between me and the Hellfire Riders.And I don't know if he'll choose me |or how far I might go to keep him.Having It AllNow that Jenny Erickson is mine, I've got everything I want. Until one shotgun blast almost rips it away |As president of the Hellfire Riders, there's two things I care about: protecting my woman and destroying the Eighty-Eight before they take everything I've fought for. They've hurt Jenny before and I swore that I'd rip out my own heart before they hurt her again. Every heated touch, every scorching kiss is a promise to keep her safe.Now the Eighty-Eight is coming for me — and no matter what it takes, I'm not going to let them lay a finger on her. If you have any interest at all in motorcycle club fiction, this is the best series I've found. I'm a middle aged school teacher, but if I was 30 years younger and Saxon Gray wanted me on the back of his bike, I am jumping on. Ms. Wilde writes great sex scenes and I am very critical of how authors write erotic scenes. Not every writer has the skills for it to seem natural and hot at the same time. Her story lines are interesting as well. Good character development. Not too cliché or overdone. I wish they wouldn't market these as a set of three books, though I realize they're novellas. They read like one regular length story arc. I finished it all in one day and still did other things. It makes you think you're getting more than you really pay for. I'm eager to read Blowback's story next!

Such a great read from beginning to end. The character's are unique and compelling. Left me eager to read more about the supporting cast. Such a great story from the way Saxon and Red's daughters path cross when by chance he is at the right place to save her from a neonatzi MC Prez and does 5yrs for manslaughter. It's very much like a MC Romeo & Juliet. Their from two different MC' s so their love is offlimits. He lives his life to be worthy of her, even if he can't have her. But the tides are changing and the things that have made their attraction taboo will no longer exist. If they can just survive a demon he'll bent on revenge over his nasty brothers death. Looking forward to the next book.!!!

This was interesting. The only thing that was missing for me was its length was too short. I say that not because was was written needed development, but what wasn't needed to be written. There is a lot of 'past' stuff that shapes the future that is just told to us, but I didn't feel like it was descriptive enough. Our past determines the course and choices we may have to make in the future ... It is a critically serious chain of events. I wish I has a better vision of Jenny and Saxon from 'before' BUT seriously THIS box set is ON FIRE! READ AND YOU SHALL FIND OUT!** spoiler alert **BEST LINE: "My cum. My woman." ~ SaxonBEST SAXON SCENE: Favorite 'Saxon' scene: They're watching her walk away. But not looking at her ass, I realize. She's got four words embroidered down the back of her dress ~ Property of Saxon Gray ~ Jesus Christ. She's going to f*n break me.BEST JENNY SCENE: Favorite Jenny scene: His voice is heavy with sleep. "You figured it out?" "Yeah," I whisper. "It says you love me." [.....] "You have no idea how much, Jenny."

I have to start this review off with my compliments to the author or whoever decided to combine the 3 novellas into this one box set. I can't say how much I appreciate being able to continue reading without having to go back online to find the rest of the story. So when you get this box set, you get 3 novellas and believe me, you'll stay up all night reading to see what the heck is going to happen next. For a MC gang book, omg, this is just amazing. Saxon is the prez, he's been to prison for protecting an innocent girl who was about to be raped by a rival gang. The story starts with Jenny needing to take sanctuary in the Hellfire Riders bar, the bad guys might have been after her again. Even tho the club isn't on great terms with her fathers club, they aren't enemies. Enter Saxon, pure alpha, hot as hell, fresh out of prison. The attraction is so intense, the chemistry is red hot. Let these two touch each other and you might need to call a fire department to put the fire out on your kindle. Holy hotness, thats an understatement. Of course being attracted isn't enough, there are hoops to

shoot, barriers to break down, people to kill. All of those things come to pass in this book. The story line is truly amazing, the heat between Saxon and Jenny is palpable, the ultimate love they find is enough to make you sigh in contentment. The passion they have is what wet dreams are made of. Honestly, this is one of the best MC books I've read in a long time. There are other books in the series, this is not a cliffhanger. I can't encourage everyone enough DON'T think twice, just get the book.

I read Jack and Lily's story which is book 2 in this series, but even though I liked the characters the books content was too explicit and graphic for me to enjoy the story. I wanted to give the author a second chance, so read Saxon and Jenny's story, because I wanted to know how they came together. I do believe the author wrote with realism as to how the bikers talked and handled some of their situations, unfortunately I am just too put off by the graphic and explicit content to enjoy the story experience. If you don't mind that facet of the stories, Katie Wilde, is a good writer and that is why I am rating the book a 2 instead of a 1.

4 Stars Series Absolutely loved this series and Saxon, holy hell, that man was seriously HOT. Why not 4.5 or even 5 if I "loved" it well, there was a minor and I say very minor issue for me with the "Old Lady" clause thing. For me, uhhhhh, that just didn't "fit" in with Saxon and Jenny and ow they felt about each other, I felt it was just an odd fit to their story. It was hot, I do admit BUT for me.....hmmmmm the jury is still out. I thought the writing, the storyline, the characters were all great! I cannot wait for more of the stories, especially Anna's story!!!!!!
