Has a stunning storyline. Kade is a killer with a heart. When he drives to a remote bridge to dispose of a body he finds a beautiful young woman about to kill herself. He needs her gone so he can finish his mission. Only he can not let her kill herself!. He rescues her then takes her to his childhood home where he keeps her locked up. Meadow feels her life is at an end when her sister was killed. After he saves her Meadow turns to this dark bad boy to help her forget!. Kade wants this beauty so he is happy to use her for his sexual release. Only he wish's to heal her to. Then Kade finds out that the guy he killed may have been Herr sisters killer!. Could fate have brought these two together?. You will love this stunning, intense, funny, sad, suspenseful, sweet and oh so scorching hot hot romance!.

This is not your typical romance. Meadow is at the lowest point of her life and Kade is doing some the lowest things a person could do. Fate steps in and brings Kade to Meadow's rescue and forces them together. Meadow is lost in her grief and Kade is trying to figure out what he wants to do next while cleaning up his hometown. He takes her back to his mother's apartment while he tries to fix her She begs for Kade to take the pain away and he gives in, as this is the only way he knows how to ease her suffering. Without knowing it, it brings them closer and closer to each other. Pick up Dark Savior to find out how it ends. I definitely recommend this book if you like romance with a dark, sexy twist! I received this book in exchange for my honest review.

Fate really stepped in to Kade's and Meadow's lives. Meadow was about to commit suicide by jumping to her death while Kade was getting ready to dump a body of a bad man he had killed. He talked her down and took her to an abandoned apartment he shared with his mother. He was gruff and impatient and sweet at the same time. Loved it. The bonus book Caught was just great. Mars and Nike were a couple who found each other after a lot of turmoil. He a hitman who was caught killing someone while witnessed by Nike. Five Stars!

First things first, I received this book, an ARC, for free in exchange for an honest review. Meadow has planned on taking her own life. She is ready to jump off the bridge. But, a man, Kade, sees her. He is there at the bridge for another reason. But, Meadow feels that it is her fault that her sister was

killed. If she hadn't talked her into coming to a party with her. Can Kade show her it isn't her fault? Can Kade bring her out of the darkness? Well, pick this one up to find out those answers and more.

I loved this book how he saved Meadow from jumping off the bridge. All she wanted to forget what happened to her sister how she forgot is my having sex with Keegan. When she found out what he did she wanted to leave but he wouldn't let her leave. Then he found out why she was going to jump he looked into it and found out the person he killed killed her sister.

I really enjoyed this story. I couldn't put the book down because I wanted to find out how it was going to end. I kept expecting something horrible to happen. Not sure if I'm disappointed that my expectations didn't happen or if it's great that it was a complete mystery to me! I do look forward to reading more of Stella Noir's work!
