Never Wed An Outlaw: Deadly Pistols MC Romance (Outlaw Love)

Synopsis

I'm PREGNANT, ON THE RUN, AND WEARING HIS RING...HANNAH
How the hell did I get here? Oh, right - Daniel "Dust" Grayson. Scariest, sexiest man alive. The only man who's ever stolen my panties, lured me into his bed, and left me begging for more. This isn't what you're thinking. Yes, he's an outlaw. Trouble incarnate on two towering legs and the hottest smirk south of the Mason-Dixon line. But I'm not in a world of hurt because he's President of the Deadly Pistols MC, or because my big brother is his right hand man - hello, drama!
No, Dust tried to save me from myself. I can't let my secrets kill him. It's time to forget everything: his love, his kisses, raising the baby he'll never know together. Never wed an outlaw. A broken heart was my wedding present, and now it's my only defense...
DUST
Hannah was my biggest mistake. Ain't every day a man claims a girl, shoves his ring on her finger, and tells her she's his 'til the end of time. I had it all, blind to the storm approaching. Then she disappeared. She forgot about us. I'll die before I let her.
Darlin', I'm coming. Don't care if my best friend is her kin, and he wants to rip my head off. Don't care if she's a hostage to the meanest crew I ever laid eyes on. Don't care if I have to move heaven, hell, and everything in between to bring her home. If Hannah's a mistake, I'm owning up. Every single inch of her, every kiss, every damned day. She made me crave the whole package, a wife and kids, like a man needs air. I can't stop. I won't go back. She's coming back to my arms, or I'll rip this wicked world limb from limb. This is a stand alone romance novel with a hard-to-get runaway bride like no other! No cliffhangers, no cheating, and SCORCHING heat advisory. Yes to babies, outlaws, and Happily Ever Afters. This is Dust and Hannah's story in the Deadly Pistols MC series. Bad boy bonus! For a limited time, this special edition includes another complete Deadly Pistols novel, Never Kiss an Outlaw.

Customer Reviews

I received this as an ARC for my honest review****This book is sexy as sin. The hero in this is so swoon worthy even with his arrogant and aggressive words. Daniel "Dust" Grayson is the head of the MC in this book. He took over at his sperm donor of a father "Early" met his demise sooner rather than later. Dust being the son of the Prez was meant to take the position due to his lineage. Even if he didn't want to be the Prez, he would still honor the patch and his brothers. His father being the calculated, cunning and cheating father he was, instilled something in Dust that didn't allow him to even consider the love a good woman. That until his brother also his enforcer, Firefly, married Cora. With them expecting a baby on the way and the wedding to celebrate, it seemed like love and kids were in the air. Even though Dust doesn't really believe in all that, he doesn't seek for it. Yet, he sets his eyes on a curvy gorgeous woman giving her congratulations to the happy couple. Little did he know that his beautiful woman would be the one to cement love in his life? Property of DUST on her skin was inevitable. Dust and Hannah have moments here in there filled with lust even if they don't cement it with their lovemaking until one fateful night when it's bound and determined. Hannah is a 23 year old virgin that is also a hacker, or more like coder with computers. She sets herself up for danger and when she makes that decision she had no idea just how much misery would set forth in her life and her loved ones lives. She is a little naive and sometimes can be downright dumb. She should have been able to trust her man and be able to confide in him sooner. Even after everything is out, and she is forced to make a decision, the decision she makes leads her on a road that no one would want.

If you are looking for a suspense-filled, action-packed bad boy MC romance that contains vivid

characters and a well-constructed plot, then you should look no further than Nicole Snow's "Never Wed an Outlaw". All these as well as absolutely Kindle melting romance scenes are the order of the day in this page turner that you won't be able to put down until the very last page! The Deadly Pistols MC Prez, Dust and Hannah, who were introduced to readers in "Never Kiss an Outlaw", finally get their story in this smoking hot addition to the Deadly Pistols MC series. Nicole Snow in "Never Wed an Outlaw" takes us on an amazing journey that is full of unexpected twists and turns and is far from the predictable continuation of a romance that I (and I am sure other readers) thought could be mapped out from the glimpses of Dust and Hannah that we received in the earlier Deadly Pistols books. I am not going to spoil this absolutely amazing reading experience by saying any more than that! This story has it all: suspense, steamy romance scenes and a storyline that flows easily and holds the attention of the reader! We are treated to a complexity of Dust's and Hannah's characters that is absolutely breathtaking. A complexity that I definitely could not have predicted from the earlier stories that they are featured in! Who would have thought that Dust would turn out to have such a silver tongue: "Darlin, you'd the finest sirloin any boy ever had"! Nicole skillfully delivers the right amount of drama, second chance romance and emotional angst to the story that will make this a book you won't be able to put down until the last page. Dust and Hannah's story is an original and refreshing addition to the Deadly Pistols MC stories that firmly entrenches Nicole Snow as a master storyteller.
