The Surrender Of Persephone (Myths Behaving Badly Book 1)

Synopsis

From NEW YORK TIMES Bestselling & Award-Winning Author Selena Kitt-----*NEW* Dragon Sass \$1.99 .com/dp/B01LBMBFYA-----Sheltered Persephone, Goddess of Spring, never gets to do anythingâ thanks to the suffocating love of her mother, Demeter. Sephie is being carefully groomed to follow in the footsteps of the two âvirginâ goddesses, Athena and Artemis, and while they sure do have a lot of fun together, she longs for something deeperâ and darker. When Aidon, the God of the Underworldâ generally known as Hadesâ appears in his chariot to claim Persephone for his bride, the young goddess gets more than she wished for. Held captive in the Underworld, she suddenly longs to return to the safety and security of her motherâs protection, but the dark and commanding Aidon binds her to him, claiming her bit by glorious bit as his own. Her coming of age is one of sexual awakening as she learns the bondage her new master imposes fulfills her darkest desires. Persephone finds herself submitting to and obeying Aidonâs command and discovers being taken and consumed in the heat of passion by a manâ a godâ is what she was truly made for. Persephone canât deny her own nature, or her growing feelings for Aidon, as she submits to his domination and surrenders as his wife and prepares to rule as his Queen. As she finally admits her own feelings, Persephone faces the looming specter of her history, which threatens to shatter the newly formed bonds between the couple. She must now face not only her past, but her present, and her futureâ no longer only the Goddess of Spring, but also as the wife of Aidon and Queen of the Underworldâ and the choices she will be forced to make will change the world forever. Customer Reviews

The Goddess of Spring, Persephone, feels like a child under the shadow of Demeter, her over protective mother. She longs to experience new wonders but is limited to consorting with virgin goddesses Athena and Artemis. Although she enjoys spending time with her friends, Sephie is drawn to the opposite sex. Her curiosity is satiated when Hades, called Aidon, God of the Underworld, appears. Before she can think, he snatches her up and takes her to his underground home. It's there that Persephone discovers that she is a submissive, and comes to relish Aidon's dominance, and her role as his wife and Queen of the Underworld. Will she choose to remain by his side? And if so, how will she ever face her mother again after submitting her mind, body and soul to Aidon? The retelling of The Rape of Persephone is a decadently erotic story of dominance and submission. Various gods, goddesses and players from the Hesiod and Greek/Roman legend and lore drop in to The Surrender of Persephone to recall various stories revolving around the underworld and its rulers. Each encounter between Persephone and Aidon is lavishly lurid. Their exploits explode throughout the realm of the dead. This dark place becomes Sephie's new playground and it's interesting to watch her blossom into womanhood under Aidon's dark mastery as she accepts her role as his wife and equal. Be warned. The sexual escapades are explicitly intense, equipped with instruments and acts to test your knowledge and comfort zone. I was thankful this pair falls deeply in love. Alas, my only issue is a reoccurring one. Although these are gods and goddesses, they display human traits which seem to overshadow their supernatural posture.
