## Synopsis

Miss Ruby Massey only has one mission on her mindâ”to avoid becoming the wife of the lecherous man her mother wants her to marry. Deciding to run away, she takes the position of governess to a wealthy gentlemanâ”s two young nieces. Traveling for days, she finally arrives in the wild county of Cornwall, exhausted, and not entirely ready for what awaits her. Phineas Charles Trevelyan Trelawney Godolphin-Harrington, 3rd Duke of Camblesforth, is a recently reformed rake. Taking his responsibilities as the guardian of his nieces seriously, he has forsaken his mistress and his wild times in London, and though his family seat is in Yorkshire, he has made his home in Cornwall, the ancestral lands of his motherâ”s family. When he first catches sight of Ruby, she steals his heart, and he realizes he must claim this most bewitching jewel, but Ruby doesnâ”t want to be claimed. Mysterious forces threaten their burgeoning love, as the ancient Cornish festival of Allantide approaches.

## Customer Reviews

His Bewitching Jewel is the charming romance of Ruby and Finn â” along with Finnâ”s adorable nieces, a manor full of spirits and magic and that very special magic that each of us holds withinâ” |

the ability to love and be loved. Ruby has been driven to run away. Her mother's determination to marry her off to the most odious man imaginable is the final straw. Why her mother has no affection towards her Ruby has no idea – but she is not going to marry that smelly pig. She has decided to set out to make her own way in life. And that journey begins as the governess of two small girls in Cornwall – which is hopefully far enough away from her mother's prying eyes. When Ruby arrives at her new home she discovers that just as she is not exactly as she had made herself out to be in their correspondence – this Duke was no older gentleman as she had been lead to believe. But she'd come this far, now was not the time to turn back. Finn had never believed in the foolishness of love at first sight. So then, how did he explain the absolute certainty that this woman was his for life. That this woman would change his life in ways he could not yet even imagine. Ruby must contend with the courtship of a very determined Finn, two adorable girls who recently lost their mother and father as well as a truly haunted manor. Toss in some very real magic much stronger than Finn's nightly bedtime stories for the girls and Ruby was overwhelmed. She couldn't believe in Finn's attraction for her, after all she knew full well that there was nothing special about her. But in spite of logic, she slowly fell under Finn's spell and reached out for someone of her own to love. I enjoyed His Bewitching Jewel very much.
