# Silver Silence (Druids Of Avalon Book 4)

## Synopsis

Drawing on Arthurian legend, Nash creates an intricate romantic adventure around the identity of the mysterious Merlin, the Lady of the Lake, and the birth of the Once and Future King. A compelling mix of romance, myth, history and sensuality.

## Customer Reviews

This is my favorite of all of the books in the series. It well captures loneliness and emotions felt by someone doing his duty and having to confront feelings for someone known since childhood. He needs to accept the love he has now for the girl who becomes a woman and to trust that love. The book shows that love knows no bounds. I still was left with questions but the historical information is well used and a fabulous twist to the magical individuals I have always been fascinated by. Well written and thoroughly enjoyed.

A great story line with endearing characters and the whole Arthurian tale prequel is wonderfully written. The knights and magical powers and the beginnings of Christianity, with the blend of romance and mystery. Fun and entertaining. Good job and a entertaining read.

This is a fascinating tale of Merlin leading up to the north of king Arthur! A tale filled with light and dark magic, love, time travel, fierce loyalties and traitors...all to rule early Britain! I was completely caught up and enthralled by the characters and the story! I HIGHLY recommend this book!!!

Ok, So I read this whole series, and when i got to this book, I was skimming threw the pages. Bla bla blabla . In the first books the leading men new they wanted the women, and stopped at nothing to have them. In this book Rhys didnt want anything to do with breena. He went out of his why to stay away from her. He was an insensitive jerk! If you even make it 3/4 the way threw the book they do finally hook up, with breena throwing herself at him! AGAIN! he takes her virginity and gets up and leaves! Whatever.... I only gave it 3 stars because the concept of the story is good and magical.

I had not read a lot of Joy Nash. Until here lately. I had always enjoyed her books, but when I got into this one and others on the same theme,I fell in love with her all over again. It is fun to read and so enjoyable. If you enjoy books that get into the nocturne and the magical, you will enjoy her books very much.

Rhys the Druid seeks surviving Druids to bring them home to Avalon. Breena the seer loves Rhys, but knows it must remain unrequited as he is forbidden to love any female.She travels to a holy shrine to pray for divine guidance as Rhys has been away for almost a year; which is something he has never done in his decade and a half time traveling mission. Breena meets Myrddin, who asks her to save Igraine in the Lost lands. Tracking Breena, Rhys travels into the future to find her and bring her home. Breena discovers a scheme to harm Igraine; Rhys, who has caught up to her, acquiesces to assist her in reuniting the woman with her beloved. Although he knows the price, Rhys can no longer deny his love for Breena.Returning to the pre-Camelot Druid realm of THE GRAIL KING and DEEP MAGIC, Joy Nash provides a fantastic romantic fantasy as the hero continues his quest to save the Arthurian future. Breena and Rhys are strong protagonists working the mists of time to save those who they believe should dwell in Avalon while also struggling with love, a forbidden emotion for the hero. Fans of Camelot will relish Joy Nash's latest entry in her super saga as SILVER SILENCE is a terrific tale in a strong series.Harriet Klausner

In "Silver Silence" Mryddin brings the Seer, Breena, forward three hundred years to the time just before Arthur will be conceived. Igraine is the one remaining daughter of the Lady, but her magic

has been caged. Even so, the evil bishop, Dafyd, seeks to destroy her and the Light. It is Breena's destiny to protect Igraine until she can be reunited with her soulmate, Uther, who is descended from the line of Avalon druids. From their union, Arthur will be born...the one hope that Britain will not descend into the Darkness that looms over it. But Breena's magic has been noted and her life is in peril also. The bard, Rhys, follows through the portal left by Mryddin's magic, desperately searching for Breena and praying to the Goddess that he will find her in time. "Silver Silence" has many interesting twists and readers of the King Arthur legends will be well-pleased. Joy Nash uses the old magic to create a new, spell-binding story.

I read THE GRAIL KING and loved it, so when I saw this book I grabbed it right away. Bad mistake. Even though Joy Nash is a talented writer, who does wonderful research and creates interesting characters, this book really was hard for me to get through. There is way, way, way too much Arthurian lore, way too much comic relief (the Brothers Stupendous?) and way too little of the kind of steamy yet caring romance that made THE GRAIL KING a classic. I'd love to know what Joy Nash was really thinking on how she shaped the story. It must have been like, "mm, another sex scene for Rhys and Breena, or watch Merlin turn himself into a fish? Mmm, man becomes fish, exciting! Another sex scene for Rhys and Breena or watch the Brothers Stupendous do fifth rate Arthurian vaudeville. Mmm, vaudeville, exciting!" Joy Nash is a heck of a talented romance writer -- but you'd never know it from this book. Bring back the old Joy Nash!!!!
