Top Corner Youth Hockey Skills: A Parent's Guide To The Mite Years

Top Corner Youth Hockey
A Parent's Guide to the Mite/Novice Years

KIRK MC DONOUGH

DOWNLOAD EBOOK
Written by a longtime youth hockey coach/parent and USA Hockey coaching educator, this book provides a basic introduction for parents navigating the world of youth hockey. This mite youth hockey primer covers the skills your child can be expected to develop at this stage, what to look for in a hockey program, ways to build hockey skills and support a love of the game at home, and how to talk to your child’s coach. Seasoned coaches reading this book will find a good grounding in basic skills and positive attitudes in an easy-to-read format to share with parents and players. Part of a series of books containing tips and advice for youth hockey parents and players at every stage.

**Customer Reviews**

I chose two stars as for me the information was old news for me. I will have to look at the next book. But good information for parent who is just entering hockey. It is short and to the point which makes for a quick read.
