When A Laird Loves A Lady (Highlander Vows: Entangled Hearts Book 1)

Synopsis

A need to belong drives her. A longing to forget compels him. Fate may send them into each other's arms, but only love can mend their hearts. An Outlander Raised by a tyrannical father, Marion de Lacy yearns for the comfort of belonging to a loving family. So when her father announces her betrothal to an evil knight in exchange for his help to overthrow the king, she concocts a desperate scheme to avoid the marriage: feigning her own death and then fleeing England. But when her plan goes terribly awry and she's captured by the knight, not even her careful preparations could ready her for the Scottish barbarian who rescues her and then informs her that he's to marry her by edict of her king. Certain her father will defy the king's orders and wed her to the knight if she refuses the Highlander's hand, Marion agrees to marry the strangely compelling but obstinate laird of the MacLeod clan. A Highlander After the death of his beloved wife, Iain MacLeod has no desire to marry ever again. Yet when he finds himself obliged to do so to secure the freedom of his childhood friend and king, he reluctantly travels across England to collect his unwanted bride, expecting to find a cold Englishwoman. Instead, he discovers a fiery, bold beauty who is fiercely loyal, protective of those she loves, and defies him at every turn, challenging his certainty that his heart is dead. Ensnared Following a hasty marriage and perilous journey to Scotland, Marion harbors no illusions that her new husband loves her. Still, her heart cannot resist the noble, brave warrior, and she cannot suppress the hope that she has finally found where she belongs. However, the harder she tries to fit in with the clan and gain Iain's love, the farther away her dreams drift. Iain is more than willing to give his respect to his courageous wife—her kisses and caresses even ignite his blood and demand his passion—but he refuses to give up his heart. That is, until enemies near and far threaten to take Marion from him. Now the demons that haunt him can only be conquered by surrendering body and soul to Marion, if only it's not too late.

"WHEN A LAIRD LOVES A LADY by Julie Johnstone is the first book in the Highlander Vows: Entangled Hearts series, and I cannot wait for the second instalment. With beautiful imagery, the author transports the reader to a whole new world. Both Marion and Iain are meaningful and emotional characters, who I became deeply invested in. I could not put this book down. With plenty of danger, excitement and passionate encounters, WHEN A LAIRD LOVES A LADY by Julie Johnstone has got it all, and I now have a new favourite author." ~ Fresh Fiction

When A Laird Loves A Lady is #1 in the exciting new "Highlander Vows: Entangled Hearts" series. WOW! What a fast paced, set on the edge of your seat, passion filled, adventurous, dangerous and romantic story. With betrayal, treason, treachery and amidst it all hopefully, love. What more could a Medieval Romance fan wish? Can love find it's way into the heart of a unyielding Highlander, Lain MacLeod, who has lost so much, including his frail but beloved wife? Then, he's commanded to marry an English Lass, in order to start negotiations to free the Scottish King, David from the English. What he finds is no pampered, scared, English Lady, but a feisty, determined and independent Lady, who is in grave danger. English Lady, Marion de Lacy, raised by very tyrannical father, looking for love, acceptance, family and home find it among the MacLeod clan? If only they can survive the hardships they and the MacLeod clan face. From the first page to the last, readers will be captivated, ensnared and held in awe of the well developed characters and the magnificent storyline. Ms. Johnstone can definitely woo her readers! I can not recommend this story enough. A most delicious, emotional, heartwarming and an absolute must read. Fans of Scottish Highland Romance with danger and action will definitely want this one on their TBR list. A sensual but compassionate read. I loved the interaction between Lain and Marion, as well as the other characters. What an honor to watch their relationship and special bond grow. Readers will find a few surprises, and many twists and turns along the way. I was guessing who the traitor was right up to

the very end. WOW! Awesome storytelling! A definite keeper! Please pick up "When a Laird Loves a Lady", you won't be able to put it down. Ms.

Fascinating heartwarming and emotional story that I simply could not put this book down! This was a first novel I ever read by the talented Julie Johnstone, but it certainly won't be the last as I whole heartedly absolutely loved this book! The author did such impressive and remarkable research on the Clan MacLeod history and as they did reside at Dunvegan Castle which is on the Isle of Skye in Scotland. Now if ever visiting Scotland, they do offer tours to visit this beautiful castle surrounded by water! I just love when authors weave true factual history and an exceptional fictional historical tale. Beautifully done! England and Scotland 1357 Marion de Lacy, who was born of an English titled father, Baron de Lacy and her Scottish mother who died when she was just a child. It was an arranged marriage which is not unusual for titled royals or for this time period. Her father is as evil power hungry, brutal, abusive, tormenter, and dictator whom has never given Marion any praise, encouragement, love or attention! Well the right kind of attentions anyhow and no love at all, being ignored most of the time in her lonely existence of except by his severe punishments and personal humiliations! He has been both mentally and physically abusive to her and anyone else whoever questions his authority, in his way or he just plain feels like it for no given reason! Beside the beatings, his other specialty is humiliation, he is an extremely evil man! He just see's her as a means to use her for his personal greed advantage in status and now has an insane, deceitful and unscrupulous plot to overthrow and take over the English Crown! All Marion's wants is acceptance, respect, love and a sense of belonging, she feels that will only happen through a love match!
