## Synopsis

RITA Award-winning author Kresley Cole continues her bestselling Immortals After Dark series with this electrifying tale of a ruthless demon mercenary and the lovely young halfling who enchants him.

A seductive beauty he can never have, yet can't resist... Cadeon Woede will stop at nothing to atone for the one wrong that will haunt him forever. But once he secures the key to his redemption, the halfling Holly Ashwin, Cade finds that the woman he thought he could use for his own ends and then forget haunts him as much as his past. A tormented warrior she should fear, but can't deny... Raised as a human, Holly never knew that some frightening legends are real until she encounters a brutal demon who inexplicably guards her like a treasure. Thrust into a sensual new world of myth and power, with him as her protector, she begins to crave the demon's wicked touch. Surrender to dark desires... Yet just when he earns Holly's trust, will Cade be forced to betray the only woman who can sate his wildest needs -- and claim his heart?

## Customer Reviews

Nine hundred years ago, due to a careless act on his part, Rage demon Cadeon Woede caused the fall of an entire kingdom into enemy hands. His royal brother lost his crown. His entire foster family was murdered. And Cadeon has been living with the guilt and itch for revenge ever since. Now, after

so many centuries, he's been offered the opportunity to right that wrong. All the demon mercenary has to do is locate the 'Vessel' (a chosen female of Lore who will beget a child who will become a warrior of ultimate evil or good) and hand her over to a wicked sorcerer. In exchange for the female, Cadeon will receive the only weapon capable of defeating his enemy and thus the opportunity to restore the kingdom to its rightful hands. Everyone is counting on him to get this job done and there is nothing Cadeon won't do to complete his task. Only one teensy weensy problem -the female he has to give up happens to be his predestined mate.

Dark Desires is the fifth (or sixth if you include the anthology) book in the Immortals After Dark series -Playing Easy to Get A Hunger Like No Other (The Immortals After Dark Series, Book 1) No Rest for the Wicked (The Immortals After Dark, Book 2)

Cadeon Woede, second in line to the throne of the rage demons, will do anything to right the terrible wrong that he's done to his family. Because of Cade's stubborn refusal to return to their homeland when his brother Rydstrom asked him to, their kingdom was stolen by a sorcerer called Omort the Deathless. Since then, Cade has worked as a mercenary and is known as Cade the Kingmaker among the Lore. He has a reputation for being able to put anyone on a throne--except the one person he wants to most. Finally, Cade is given the opportunity to right this wrong by getting an ensorcelled sword that will be able to kill Omort. The only thing he has to do is deliver a woman known as the Vessel to Omort's brother. The vessel is a member of the Lore who will give birth to a child born of ultimate evil or ultimate good--depending on the child's father. The problem is, she's also Cade's fated female.

Holly Ashwin is an obsessive-compulsive PhD candidate at Tulane who teaches mathematics to jocks. Holly has a thing for threes, compulsive cleaning, and computer codes and mathematics. She has been raised as a mortal and has no idea that she's the Vessel until she's kidnapped from campus and held hostage for a demon ritual. While Holly is fighting them off, she's struck by lightning and suddenly overcome with the preternatural strength of a rage-filled Valkyrie. After killing those who would do her harm, Holly meets up with Cade who informs her that all of the myths she's ever heard are real and that all the creatures of the Lore are after her--some want her dead and some want to father her unborn child. With him as her guide, Cade promises to help Holly regain her mortality, which is all that she really wants.

Holly Ashwin is the first to admit she likes her life neat and tidy. Her mannerisms are methodical, her movements disciplined. Her ordered life abruptly ends when she is pulled from the structured world of academia and thrust into the unruly world of the Lore. With her newly emerging Valkyrie powers

somewhat out of her control, Holly is appalled at the riotous changes occurring in her life. She holds only one hope - a return to her former existence of calm and order. To her complete dismay, her hope rides on the shoulders - the quite brawny shoulders - of a roguish Rage Demon named Cadeon Woede. Cade has been carrying a massive load of guilt for over nine hundred years. His past actions caused the loss of his brother's crown, and his brother has never let him forget it. His current profession as a mercenary lets him work toward his one objective in life - to kill the sorcerer who stole his family's kingdom. With absolute loyalty to his brother, Cade accepts his latest mission of obtaining a valuable weapon needed to regain control of the throne. His task, however, involves Holly, a newly empowered Valkyrie halfling who just so happens to be his fated female. In a wrenching twist of fate, Cade learns that to complete his mission he must deal Holly the ultimate betrayal. When offered the chance to get my hands on *DARK DESIRES AFTER DUSK*, I calmly wiped my sweaty palms... and then blushed as I greedily grabbed at the book. That is how enchanted I am with Kresley Cole's *The Immortals After Dark Series*. Book five, Cade and Holly's story, starts off with a bang and effortlessly holds that riveting pace through the entire novel. Holly, with her irrepressible OCD tendencies, is warmly captivating with her quirky habits and endless need for order.
