# The Playbook

## Synopsis

\*Contains adult content and language \*My life revolved around two things. Football and my cock. And not necessarily in that order. Being the head football coach for a top university in Texas had its ups and its downs. The ups? Endless women to f\*ck. The downs? The politics that came with the job. From the moment Aubrey Cain walked into my office, she turned my world upside down. Being forced to have her follow me around for a month was going to be a pain in the ass. Especially since I couldn't keep my eyes off of her. The best I'd hoped to come out of this was a few nights with her in my bed. I never imagined she'd be the game changer. Brett Owens was my assignment. Head football coach for a top college, bad boy reputation, short temper, and handsome good looks should have scared me off. But I was tougher than that. From the first words out of his obnoxious, dirty-talking mouth, I knew it was going to be a long month. It wasn't five minutes after meeting him, he hit on me. If only I had known his blue eyes would haunt my dreams and awaken a desire inside of me I never knew existed. This was business. There was no way I would be tempted by him no matter how good looking he was or how many things he whispered in my ear. He was only supposed to be my assignment. Not the man who threatened to destroy both my heart and my career. I would follow along with his playbook for now. But who would end up winning was anyone's guess. The Playbook is a stand-alone novel.

Best Sellers Rank: #480 Paid in Kindle Store (See Top 100 Paid in Kindle Store) #39 in Kindle Store > Kindle eBooks > Literature & Fiction > Contemporary Fiction > Romance #116 in Kindle

## Customer Reviews

So Kelly Elliott has done it again!!!She has given us a great book with an interesting storyline and wonderful characters.I have to be honestâ |.this book does have a different feel from the other Kelly Elliott books I have read. Yes she gave us a story with all the usual drama, Yes she gave us the sweet love story, and of course we got the HUNKY Hero, but what made this feel different to me was that it wasnâ™t an over the top gushy love story. Brett and Aubrey had to work at things.Their journey wasnâ™t an easy one.Also I had a hard time liking Brett in the beginning. Usually I fall for her Heroes immediatelyâ |.that was not the case with Brett. But by the end of the book, I loved him just as much as her other Heroes. I will say I that I believe Aubrey is one of the strongest heroines Kelly has given us. She wasnâ™t all broken and needing to find herself. She was strong and knew what she wanted out of life. I really LOVED Aubrey!!!As with all of Kellyâ™s books the writing was effortless and the pace was perfect. The Playbook is a standalone novel with a completed story. This book actually felt longer than some of her other books, but it never dragged. The storyline was interesting enough to keep my intrigued all the way through. I will be honest that, at closer to the end of the story, there is a part that I really didnâ™t like in the book and didnâ™t think it was necessary for the storyline, (hint: Logan) but it didnâ™t take away from my complete enjoyment of this book. I just thought it couldâ™ve been left out.As with all of Kellyâ™s books, I get sucked into the story and her characters lives. The Playbook was NO different. I found it really hard to put down once I started.

With the football season now in full swing everyone is celebrating and cheering on their teams. Whether you are a high school fan, a college fan, or a NFL fan, there's a team out there holding the line and scoring touchdowns. The sports romance genre is one of the most popular genres in the publishing world, football being one of the favorite themes. Readers love experiencing the moment their big, brawny players fall head over heels in love. These grid iron warriors are taken to their knees by a woman that has a heart of a warrior. What about the coaches? The men who have trained these grid iron warriors and taught them everything they know? There aren't too many books out there focusing on these fearless leaders, the generals of the grid iron. Kelly Elliott has written The Playbook , a book that features a swoon worthy college football coach. We thought the players were the bomb, just wait until we meet the man behind the men.Brett Owens is one of the youngest coaches in college football. He gave up his illustrious NFL career to coach his college alma mater

team. He's led his team to three championships in a row and has become a legend in the world of college football. With his extremely good looks, wicked sense of humor, and dirty talking mouth, he has become a legend with the ladies as well. Aubrey Cain has fought to become a side line football reporter for ESPN. Her goal is to become a side line reporter for the NFL. Being a female in the business is hard and even harder pushing through the "boys club" in the sports world. Her boss is holding her back and keeping her tied to the college arena.
