Customer Reviews

Zhanna has an assertive yet lovely voice. These affirmations are brilliantly scripted and read with passion. I bought this a few hours ago and have been playing it over and over again. The music is very soothing (not tacky electronic "mood" music), yet it doesn't make me sleepy so I'll definitely be listening to this on my commute. I absolutely love this. Tonight I was writing my manifestations out, and her affirmations in the background silenced the negative, disbelieving voices in my head. I've discovered a sweet new ritual that will surely bring riches to my life. Such a gift for so little cost! I set a bookmark on audible at about 4:30 minutes in. This is the point after the introduction (which actually kind of brings me down) where the good stuff begins ;) This creation is a treasure. I highly recommend this with all of my being. Namaste.

The affirmations are excellent. The author is able to provide variety to keep the affirmations interesting while maintaining a common theme throughout.
