# Unitarian Universalism Is A Really Long Name

## Synopsis

Unitarian Universalism is a theologically liberal religious movement characterised by its support of a 'free and responsible search for truth and meaning', permitting its members a wide range of practices and beliefs. This picture book explains the movement for children aged five to nine.

## Book Information

Grade Level: 3 - 7

## Customer Reviews

Finally, a book about the UU that explains what the UU Church is all about to kids! The book does not assume that the reader is a UU and explains what UUs believe and much of the history of the UU in a kid friendly way. Broken into short chapters it answers questions like "Who Are We?", "What Do We Believe?", "Do We Read the Bible?" and "What is our Religious Symbol?". This is the perfect book for young visitors and new members with children. Parts of the book can even be read for a children's reading during UU services. Unlike some books produced by the UUA this one has color pictures as well. This is a must have for every UU congregation and UU family.

I was very excited to find a children's book about Unitarian Universalism since there aren't a lot out there. Its a cute title and cover and the content of the book does give a concise introduction to Unitarian Universalism. However, there isn't anything interesting or entertaining about it. It presents the facts in a simple way but its kind of boring. I think that the DRE at my church could write a much

better book!

We are looking for a book to give to visitors at our church. I thought this would be a good book for children. After reading it, I think it would be great for adults too. Very good explanation of Unitarian Universalism without being too detailed (or boring). And who doesn't like pictures in their books?

I'm using this book for reference in the 4th/5th grade curriculum I'm writing, and it's too young for them, but still very good. Good for introduction and exploration of our unique faith tradition. -Rev. Christina

This is a good book for starting to talk to kids about UU. It clears up a lot of questions I remember having as newcomer to the faith.
