# Crucial POCKET BILLIARDS Tips For Beginners, Intermediate Students, Seniors, And Physically Challenged Enthusiasts

## Synopsis

ILLUSTRATED. Basic shooting techniques, but from a slightly different viewpoint. Easy book to understand. Dr. Yulish has taught various subjects for over 30 years, and teaches pocket billiards in Green Valley, AZ. Most books on this subject are from the perspective of the pro--this book addresses problems of everyday people. It is much easier to understand. One of the highlights is finding a stance that works for you! Topics covered are stance, stroke, ball control, English, makable rail-first shots, caroms, and more. 36 pages with 15 diagrams.

## Customer Reviews

I got a kick out of the author telling us about all his physical problems and how he compensates for them as a "senior player." Then I figured out that I'm quite a bit older than he is! Some of the graphics are hard to comprehend on a Kindle, but his advise is solid, and every player can benefit by going over his suggestions and drills.

This is a great book for someone wanting to learn the basics of pool. The author gives several helpful drills to go practice to improve ones game. I gave it 4 stars because it was an easy read and

had the information I was looking for.

very good for a beginners, very clear on his points, has helped me very very much, keep books like this coming.

I read this as a refresher, it is helpful.

I enjoyed.
