Superstar Series: The Ultimate Warrior

Synopsis

The team at HoW are back with an in-depth full-career retrospective of one of the most charismatic, controversial and polarising performers in wrestling history. **THE ULTIMATE WARRIOR** See the spiritual leader of the army of Warriors go head-to-head with all of his greatest foes. As well as around 150 of the Ultimate Warrior's matches from the start of his career in the Blade Runners tag team to his final bow in 2008, and everything in between, this book also provides full transcriptions of over 100 of Warrior's memorable promos, interviews, segments and angles. The majority of the content in this book is brand new material, and not available anywhere else. As well as detailed analysis of matches and promos, we also give full dissections to WWE's burial DVD *The Self Destruction of the Ultimate Warrior* and his rare Ringside Collectibles shoot interview. Not only that, but we also provide an extensive and almost comprehensive list of every Warrior match on record. A must have for any collector
