Customer Reviews

This book is for all contemplating marriage, partnership, divorce, becoming an item, living together or whatever! It is also a must read for any endeavouring to guide and counsel others. It is also for the rest of us. It is light-hearted but gives sound Biblical teaching on true romance. It provides a clear and reasoned presentation together with vast experience of the authors of the steps leading up to a successful marriage. The book takes account of the fact that God appeared on the scene of human history as a matchmaker - an intimacy revealed first between God and man and then between man

and woman - a pattern He has ordained to stand unchanged until the end of human history. The miracle Jesus performed, changing water into wine showed how much He cared about marriage and how much He aligned Himself with His Father. There is an area of holy mystery about this book that is revealed for the reader.

This book was amazingly insightful. I read it through a second time right after I finished it the first time. I was afraid to read it at first because I am 50 years old and have yet to be married and was afraid it would seem harsh and take away my hope. But I stead it strengthened my faith in a loving faithful Father and totally encouraged me to continue to trust and wait on God.

THIS BOOK IS SO TRUE. GOD KNOWS WHO YOUR MATE WILL BE BEFORE YOU EVEN MEET HIM/HER. IT IS AMAZING HOW GOD BRINGS THE PERFECT MATCH IN OUR LIFE. HIS TIME, HIS WAY, HIS WHERE, HIS PLAN ALWAYS HIS PERFECT WILL.

The book is written in easy to read language and contains deeply insightful spiritual thoughts. I will recommend it as mandatory reading for everyone considering marriage. But it is also useful for the average believer given that the relationship between Christ and His church is the basis of matrimonial unity. I benefitted from this book personally although I am not married, or considering it either.

I was referred to this book by a friend who described this as a "God-centered" book on marriage. Not only is Derek Prince solidly biblical in the advice he shares with all of us, but it is immensely practical. This combination of biblical groundedness without becoming very theoretical is a hallmark of this book. I would even go as far as saying that the same principles which Prince applies to marriage apply to life beyond marriage. That's how pointedly useful, God-centered, and sensible this book is. I recommend this book very strongly to young Christians who are planning to get married.

I would recommend this book for any single person and EVERY person desiring to be married. I have never been this endorsing of a book. But I have recommended it to everyone I know who is single or dating and wanting to be married.

Derek Prince's God is a Matchmaker... Is a wonderful book of wise advice meant to direct Christian

singles of all ages in the process of obtaining a spouse for life. The Princes' story is endearing - almost unbelievable the Hand of God in bringing these two together. This book gives hope to singles who are tempted to be downcast and disillusioned with the high divorce rate today. God is still a great matchmaker! This book is great for those looking to enter into a marriage to will last a lifetime. I also recommend it to married couples whose marriage may be suffering problems. Some issues brought up can be helpful with this group as well. I chose 5-star rating because the book is an easy read, told like a journal and follows sound Biblical principles. Great Read!

I bought this for myself after being widowed and have since passed it on to others and asked them to make sure it keeps traveling and doesn't sit dormant on a book shelf somewhere...that's how good it is.
