Mary: Clover Springs Mail Order Brides 2

Synopsis

Be sure to check out my new release, *Ellen* is now available. [amzn.to/2c7dBmI](https://www.amazon.com/dp/B01C4IAIW0) Mary Ryan leaves the orphanage and heartbreak behind and follows her friend Katie to Clover Springs to become a mail order bride. She's nervous but reminds herself that Davy Sullivan must be a nice man or Katie wouldn't have recommended him. Davy Sullivan needs a wife, but he's not looking for love. In his experience, that only leads to heartbreak. Mary and Davy soon find out that getting married was the easy part. Staying together is difficult especially when past secrets come to light and threaten to destroy their future. Can they develop trust in one another and find happiness?

Customer Reviews

I absolutely fell in love with Mary and Davy! They show how 2 young people can heal from broken hearts. This story allows the reader to watch a couple mature in their love as well as face obstacles in the "wild" west as well as both Mary and Davy facing the loss of someone, other than a parent. Mary "lost" her sister Cathy due to adoption and Davy "lost" his one-time fiancée to death. It was amazing to see how they each handled this issue. I am also thankful this story continued showing Katie's life, as well as that of Mary. The suspense of watching a couple get to know each other

makes you wish a few of the women would have taken Davy out to the barn for a "talk". Another great story by an author I am loving more with each story of her's I read. I hope Rachel Wesson continues the Irish theme moving to the American west!

I enjoyed this sweet story of Mary and Davy. Mary and her sister came over to America from Ireland for a better life. Unfortunately orphaned on the way over, their lives are anything but better at the orphanage. The nuns are strict and mean and take advantage of the child labor. After losing that most important to her, Mary decides to follow her friend, Katie, out west and become a mail order bride. If Katie can vouch for the groom, that's good enough for Mary. Davy is in need of a wife to help him run his ranch. He's not looking for, nor does he want, love. A pleasant demeanor and someone to cook is all he needs. He's had his fill of women in the past. Unfortunately, Mary is pleasant to look at as well and it's hard for him to keep his heart hardened. Clover Springs is full of characters that make the reader want to jump right in and find a place to join the town. I cried along with each one through their heartbreak and celebrated with their successes. I hope to read more about Ben and what his future holds.

Earlier today I started and finished book one (Kate) in the series. Upon finishing book one, I immediately downloaded this book, number two in the series. It's just after midnight and I have just finished it also. No housework got done today! I'm about to download book number three and I have a feeling no housework is going to be done tomorrow morning. Thanks for a lovely, enjoyable day Rachel Wesson!

Again, another good book. Mary and Davy marry, but without either one of them coming out with their true feelings, will they ever connect? And I didn't see the surprise coming that Davy brought to Mary. What a guy! Well on to the next one...

Mary (Clover Springs Mail Order Brides Book 2) by Rachel Wesson Another sweet story. I loved how when he came to the church like that Mary was understanding and forgiving! So many twists and turns in this book! I know that they always have a happy ending, but the emotional roller coaster both of them are constantly going through really pulls you in! I don't want to give any spoilers, but Katie! Oh, that was emotional! I don't care if this is a work of fiction and these people don't exist, in my mind, while I'm reading the book at least, they do! They matter and their lives affect me personally! Really great writing Rachel! I can't wait to read the next one in this series!!!!

A sweet love story that shows you that even with heartbreak and loss you can heal and rebuild your life. Even though Davy and Mary are hurting and not necessarily looking for love, love finds them. It is really easy to connect with the characters. The heartaches they go through makes you want to cry. I like how the characters are entwined through the books. You feel that you get to see what happens with the couples and characters in the future. The book captivated me from the beginning and kept my attention all the way to the end. It was a sweet romantic read with a lot of emotions mixed in. I can't wait to read more by this author as she definitely takes the mail order bride books to the right level.

This is the second book in the sweat series of Irish mail-order brides. The story moves along quickly and I like that Rachel keeps her characters from her first book plenty active in the second so we don't have to miss them! I'm not going to give away any of the story in my review, but I just want to say I love the characters in these stories and as soon as I'm done with this review, I'm jumping right into Sorcha's story - bride #3!

The second book of the Clover Springs series was another great read. Mary was a very sweet, kindhearted heroine who was very easy to love. Davy, the hero, finally let the past go in order to love his future with Mary. (There were a few times I wanted his Ma to take him to the woodshed and have a Come to Jesus meeting with him.) Davy's surprise for Mary at the end of the book was priceless. (I was given a copy of this book by the author for a review.)
