Customer Reviews

I feel that this is one of the best textbook purchases I've made and is worth keeping as a book to learn from. It is well organized and covers a good variety of religions, not just the top 3.

Does exactly what it says on the title. Gives an overall introduction to many of the religions practiced today. Glad to have it.

This product is as advertised thanks

Gives a good over view of religions. If I was reading it for pleasure rather than class it would probably be more enjoyable.
