Customer Reviews

Wow, just wow - this was an awesome, exciting and enthralling installment in The Last Pendragon Saga that I just couldn't put down. I love the characters - Cade, Rhiann, Goronwy, Hywel, Dafydd, Talieson, Geraint - Sarah brings them to life so well and I feel like I know them each of them. There is plenty of action and battles against demons, Sidhe and Saxons that makes this book such an entertaining read. Of course, Wales continues to be the back-drop against which the story is set - I

feel like I am starting to know every mountain, narrow path, forest, hill fort, river and weather patterns, sufficiently, that if I went there, it would be familiar. Sarah's minutiae attention to detail makes her stories feel or the more real and I love been transported back into the ancient world of Wales. I highly recommend this very exciting series.

Start with book 1 and fully expect to download each book. I would have kept reading this series even if it had been a single 500 page novel. The story flows, the characters are likeable (and the villains appropriately bad), plus you get a good look at ancient Wales!

Read all six books in such a short time! Loved every minute of it! Sarah Woodbury is an awesome writer and I look for everything she writes because the books are so well written and the characters are so well developed that you feel you could relate to them along the way. Excellent story line!

Thank you!

read the series twice, that good
