## Customer Reviews

Book 16 . . . I have no way of explaining how absolutely all-encompassing and insanely wonderful this book was. It has definitely become one of my favorites in the series. A few highlights (without giving away too much):- I learned that evil souls CAN actually give and receive true love (not that it changes how much I DESPISE those evil souls) . . .- Kiev . Is. AWESOME.- It was so wonderful to see Caleb and Rose's story come full circle (but I won't tell you how it ends!) - Kiev. Is.

AWESOME.- A good deed done for even your worst enemy can come back around in a good way.- Kiev. Is. AWESOME.- When a family stands together, there is nothing they canâ™t accomplish!- Kiev. Is. AWESOME.- Just because youâ™re dead doesnâ™t mean your story ends (just hoping that when it DOES end, itâ™s on a good note and not a bad one).- Oh! And did I mention â “ KIEV IS AWESOME! HAHAAH!!â™ve actually gone back and read this book twice already. It was so full of action, love, passion . . . everything that makes a reader want to dive headfirst into this world called the Shade. I canâ™t wait to see where Bella takes us next â “ Book 17 or BUST!

Bella has yet again outdone herself with An End of Night. Once I started this book I could not stop. Bella has an incredible way of taking her readers captive and not letting them go. All I know is that the women of the Shade are a force to be reckoned with. Mona kicked some major booty in this book and Rose was close to follow. To say that they are unstoppable would be an understatement. Even though I am sad that Rose and Caleb's story came "to a close" it couldn't have been more perfect! I say this every time but Bella has outdone herself. I cannot wait to see what's in store with Ben's story because of the BOMB that was so dropped on us at the end of A Shade of Vampire 16. As always, I highly highly recommend not only this book but the entire series.

What a RIDE!!!An End of Night is a rollercoaster of adventure! The story leads us back to exciting past places of old as our beloved characters are lead on a wild goose chase for answers. Feelings of sorrow, passion, betrayal, loyalty, anger, compassion, friendship, and love are just some of the emotions that you will be feeling chapter after chapter! It is a great conclusion to our heroic lovebirds and ends with a surprise plot twist that will knock your socks off!

I loved "A Shade of Vampire 16". I loved the fact that Caleb and Rose FINALLY tied the knot. I wished there was more on Ben and his story. And I'm sorry to say, but I really wanted to hear more about the dragons. How they made out with their new mates. Hope there's a book highlighting their story more in detail. But this book was as great as all the rest. It's funny how evil things were in the beginning. With the Elders, and the Vampires. How they treated the humans. As each new book came out, the events kept getting toned down more and more. I wanted a little bit more of that excitement. Yes the black witches were dark and did horrible things to the humans, but that was about it. That and the mermaid people being horribly ugly and attacking and killing outsiders. Anyways, read the whole series. From the first book to the sixteenth book. Its very exciting and keeps you on the edge of your seat. You always want more and more. Never wanting the story to

finish. A++++

Well, Bella has done it again, another fantastic book. The action is back as we conclude the story of Rose and Caleb but buckle up because Bella is going to take you on a ride of your life. The secrets of Lillith and Magnus come to light, and the black witches meet their match, Just as you think you can breathe again, Bella takes you on another journey that leaves you wanting more. No matter how many books she writes I will never stop because they are that good. Love you Bella!

Many of our characters are seeing ghosts from their past in this book! With time slipping away from them in their quest for power, Rhys and the black witches are desperate to perform the ritual that will give them the power to rule all of the supernatural realms. But Mona has figured out Lilith, and they have formulated a plan to thwart Rhys and his followers' plan to rise to power. But it is such an impossible task, how could they possibly succeed? Caleb and Rose are now engaged, but the Shade is still in turmoil so their joy over the announcement is placed on the back burner until they can ensure the safety of everyone in all of the supernatural realms. I couldn't be happier with the ending to Caleb and Rose's story and the outcome of the Shade and its inhabitants after the very trying time they have endured since the twins left for Scotland! We finally get another inside look at Ben and where he is now and what is to come, as he is also faced with some ghosts from the past.

I have followed this story since the beginning and have loved every single one of the books. They just keep getting better each time. This story works because of the love each one of them has for each other, they work together against a common enemy, the black witches. What they need to do when it comes to Lilith is going to be the hardest thing they have ever done. What will happen to the black witches once they can actually kill Lilith? Will they succeed in killing her or will it fail? Read the book to find out. This was a great story and cannot wait to read the next one.
