## Customer Reviews

Fire of a Dragon continues the love story of Lucian and Arabella as they are mated and produce a baby dragonling. Although it is dangerous for Arabella her True Love and faith in Lucian gives a safe mating and the conception of their dragonling. This third novel in the Fallen Immortals Series continues with dangers from the pregnancy complication, demons from outside using magic and a battle to fight them. Then in the end the evil from the Winter House of Fae comes forward with another set of problems to be solved to extend the treaty for the safety of humanity. The story will continue with the stories of Prince Leonidas and his search for True Love of a human woman in the next novel in the series.

The story of Lucian & Arabella might not be through yet but the story thus far has kept you on the edge of your seat, rooting for the good guys, even though you know it always works out, but wonder if it actually will. Their story is beautiful, and just when you think it's just about over there is always another twist to make you hang on and wonder why they can't just have their HEA. It may happen, but I think it's gonna take some time for the story to send. Now we have to wait for the brothers, to see if everyone gets what they want.

In this 3rd installment, treachery is a parent. Arabella fights to bring her son into the world while dragon fight to save what they know. But in the end you find that there is more to the story than just one true love. Another action pact story that keeps you on the edge of your seat. Can't wait to discover more.

The story of Lucian and Arabella continues. Arabella is pregnant. Will she survive the birth of the dragonling? True love, suspense, and betrayal combine to make a well written story of Dragon shifter romance. Recommend for anyone over 18. Looking forward to Alisa Woods next Dragon Shifter romance.

Third book in the Fallen Immortalâ™s series and the last of Lucian and Arabellaâ™s story . Will Lucian lose Arabella now that she is pregnant with his dragonling ? What happens? Cinead and

Rachel are still arguing what will happen there? Who is Leonidas ? This series so far has been very good.

If you want to be completely captivated...read this series by ALISA WOODS!! I'm SO RECOMMENDING THAT YOU HAVE THIS SERIES AND ENJOY IT TOO!! Their entire storyline is filled with such emotion and struggles to get their

HEA. ' ' ' ' ' " " " " " ' ^ . ^^

HOLY MOTHER MARY OF GOD!!!!!!!!!!!!!!!!!!!!!!!!!!!! HOT DIGGITY HOT DIGGITY DOG!!!!!!This new series FALLEN IMMORTALS is a classic case of why Alisa Woods is one of my most favorite authors/writers!!!! If the last 6 books in this series are anything like the first three it is very likely that this book will be rated in the top 10 of Amazon's top 100 books. Fire of a Dragon is book three in this series and the final book on the story of Dragon Prince Lucian Smoke of the House of Smoke, and his mate Arabella are doing everything possible to make sure that Arabella carries the dragonling full term which for dragon shifters is 6 weeks, and to keep the dragonling alive. Lucian is still having trouble dealing with the possibility of losing Arabella like he did his first mate Cara. Lucian and Arabella's love has to be TRUE LOVE or she and the dragonling both will die not only because he loves her, but because the Treaty between the paranormal world and the DARK FAE also has to renew or the DARK FAE and demons can overrun Earth. So Lucian will not leave her side and he has locked her more or less inside of his Dragon's Lair. Can Lucian insure that Arabella and his son will live? Can he protect them from the evil forces that want the Treaty to cease to exist? Can Arabella relieve Lucian's anxieties about Cara's death so that he will ease up on her and give her some alone time? Can Arabella keep the dragonling alive inside of her and deliver a healthy son? Definitely a book you want to read. Since this is the third book about Lucian and Arabella you need to read the first two books before reading this book. Lucian and Arabella's Kiss of a Dragon (Fallen Immortals 1) Heart of a Dragon (Fallen Immortals 2) Fire of a Dragon (Fallen Immortals 3) ARC free book given in exchange for an honest review.

Title: Fire of the Dragon Series: Fallen Immortals Destination: Book 3, 148 Pages, Author: Alisa Woods Reviewer: Ingrid Stephanie Jordan Genre: #PRN #DragonShifter My Score: #5 Stars \*\*\*\*\* Boy, Ms. Alisa can write, shoot this lady has magic in her fingers. She can make you laugh, be terrified, cry so hard your shirt is drenched, be so happy you have a

never-ending smile while your reading and then your grandson screams Ma she reading about sex again. I kid you not. Yes this book is something everyone should read. Oh and the sex is explosive like Dynamite. Lucian Smoke is a Five Hundred Year Old Dragon Prince of the House of Smoke and of course a Billionaire. Soon to be a father, but scared to death because his 1st mate died during child birth and he was not going to lose his Arabella and the baby. A dragonling gestation is 6 weeks which goes faster with magic, this little prince will be born soon. And daddy's a nervous wrecks just so worried, he can't lose his Lil dragonlet again. Arabella Sharp aka Ari loved everything about this pregnancy I mean who wouldn't, Lucian was by her side 24/7 eat, sleep, sex having an orgasm, reaction every magical hour was awesome. Arabella loves Lucian with her whole heart, this is true love. While Arabella and Lucian make arrangements for having their dragonlet. Cinead and Rachel there bickering back and forth was really funny, can't wait to hear more about them and Lucian's brothers too. I wonder who could be next?
